HARRY WEBB'S DULL AND FEATURELESS. Wednesday, March 19.

The week has not opened on a very spirited apeculation and transactions yesterday and to-day were small. The whole tone of the market is dull, but quotations were in some instances slightly better to-day. Sellers of Montreal advanced their figures 1/c, but Ontario was 1/c weaker and 10 shares were sold at 113. There was a break of 1c in Toronto, and Commerce was 1/c weaker. Dominion advanced 1/c. A decline of 1/c in British America resulted in the sale of 20 shares at 105. Western Assurance was 1/3/c stronger at 1/42. There was little enquiry for loan stocks; Can. Landed credit was 1/c stronger but the principal business of the day was done in this stock. B. & L. was 1/c weaker and London & Can. evined a decline of 1/c. The exchange continued dull in the afternoon, and stocks were iower. Montreal dropped 1c and Merchants 1/c. There were no deals in bank stocks. In fact only 0.3 shares sold altogether, making the total for the day 1/3. Stock Brokers and Investment Agents, etc. Members Toronto Stock Exchange. LONDON STOCKS AND BONDS. SAFETY A great invention, which renders shaving an easy and convenientlux-ury and obviates all danger of cut-ting the face. (LIMITED). 82 King-street East, Toronto. The Street Market.
Offerings of grain continue light at uncha cwt.

Hay—Offerings fully equal to demand and prices steady at \$11 to \$13 for timothy and \$7 to \$9 for clover and mixed lots.

Straw—Unchanged at \$6 to \$7, with only few loads offered. Straw—Unchanged at \$0 to \$1, with only lew loads offered.

THE EGG MARKET IS DEMORALIZED AND prices anywhere from 18 to 14 cents. Butter is fairly steady at 18 to 17c for choice rolls and 18 to 19c for choice fubs. Consignments of above solicited. We have for sale choice butter in rolls, pails, crocks and tubs; finest cheese from the Highlands of Haliburton; strictly fresh eggs; Canadian and American lard; extra fine maple sugar. This is perfectly pure, and for which we solicit your orders. J. F. YOUNG & CO., successors to Young, Andrews & Co., produce and commission merchants, 74 Front-street east, Toronto.

St. Lawrence Market. St. Lawrence Market. St. Lawrence Market.

There was an unusually large market this morning, all descriptions of produce being offered in abundance. Prices were firm and in most instances those of Saturday were maintained. Butter, however, is easier and best rolls could be had to-day at from 20c to 22c. Eggs have commenced to exhibit a downward tendency at last and quotations have dropped to 15c per dozen. The supply was large and the Asmand only moderate. Poultry is fairly plentiful at 15c to 16c for turkeys, 11c to 13c for geese and 75c to \$1 per pair for chickens. The meat and fish markets were liberally supplied at unchanged quotations. Potatoes, which eased off to 55c to 60c yesterday, were held stiffer to-day, selling at 60c and 65c. Currots, turnips, parsnips and smaller vegetables unchanged. unchanged.

Froduce dealers complain of a dullness in trade, the anticipated spring rush not yet having set in. Eggs will not bring more than 14c and 15c, otherwise prices of produce are unaltered. There is a fair demand for butter at 17c to 18c for dairy tub and all prices according to quality for large rolls. (J. McArthur Griffith)
