### THE TORONTO WORLD: MONDAY MORNING. JUNE 30. 1890.

# THE SHAMROCKS RADLY REATED ent of the

## BY THE TORONTOS.

ment of the game except fielding victors showed themselves vasily sup to the Upper Canada boys. Every played with a perfectly straight and the result of Saturday's match w great compliment to Woodcock, the s pit, Wilkes, who made top score for T. played his first match with the school and showed by the play that he will Victory-Clever Play by the Hellow ts-Meeting of the O.L.A. ary\_Full List of Carnival Yacht-

played his first match with the school team and showed by his play that he will scon come to the front in junior cricket. For Upper Canada, Montgomery, Counsell and Wragge deserve credit for the stand they made and also for their fielding, Counsell's catch being any Sporting Spots. Scored by. Time Bowell a running one of a long i outfield. Coen of a long i stop, while Kingstone was wicket keeper. The Coll royally treated. Score: Scholffeld Happy was the big growd of 4000 gentle-men and protty ladies that filed out of the Research grounds Saturday afternoon after the Senior League championship lacrosse match between the Torontos and the TRINITY COL

Carthy (capt.), c Harris, b Mc match between the Torontos and the Shainrocks' of Montreal. Scarcely ever before was such a brilliant collection of gaily attired ladies gathered together at a lacrosse match in this or any other city. The day was's grand one. An early morning rain destroyed every particle of dust. And a clear sky and cool breeze made the day an Ferguson, c and b Moran... Peilatt, c Wood, b Moran... Joen, c Counsell, b Moran... iarker, c Gilmour, b Moran. arfitt, c Macfarlane, b Moran. ood, not out

WHITHER THINGS ARE DRIFTING. The careful observer may see rather the present time. But how shall we read these signs? As to the signs themselves. The most sig-nificant is a discussion, principally in the Reform papers in regard to the leadership WHITHER THINGS ARE DRIFTING.

Iarris, b Tucker..... Jounsell, b Pellatt.... Iontgomery, bTucker Vood, b Tucker..... foren (capt.), run majority. It was our boys' great home play that won the day. How they did shoot! Five clear goals were scored and thrice the rubber bounded off the flags, besides the number of hot shots stopped by that man Reddy. The Shamrocks were especially strong in defence. They covered goal in an instant and uncovered with that alacrity for which they are justly famous. But they could not with-stand the lightning and accurate Toronto cannonade and thus their citadel fell. The beams were: majority. mour, not out. LONDON, June 29.—No details of any kind have been published here about the Stans-bury-O'Connor match in Australia, but from bury-O'Connor match in Australia, but from the fact that the race has to be rowed again to morrow there is liftle doubt that the Canadian did not receive fair play. All the newspapers here comment severely upon the unsportsmanlike manner in which O'Connor has been treated in Australia, and some go so far as to advise him to have noth-ing more to do with the colonials

by members of both teams The Seaforth kickers arrived at 12,20 Satur-day and will not leave until this morning. They speak highly of the manner hn which the Scote entertained them during that time. The Mariboros will send the following team to Orangeville July 1; Goal, W. Anderson; backs, Shanklin, Wright; half-backs, Waid Hogan, Broughton; forwards, Smith, Dun-can, Forrester, Humphrey, Maldrum They leave by the C.P.R. at 7% a.m.

AT WEST TORONTO JUNCTION.

Bon Voyage to Mr. David Rennedy-Plent of Faith in their Prosperous Town. Mr. David Kennedy's residence at West Tou nto Junctice was residence at West Tou

On Friday evening the Sunnyside Boating Club, the seems of which are most pleasant-ly located and overlook Humber Bay, were Mr. David Kennedy's residence at west for onto Junction was invaded on Saturday by his many friends who resids in that prosperous suburb. The little banquet prepared in Mr. Ken-nedy's honor was tastefully set out, and the nedy's honor was tastafully set out, and the vanda served were of the choicest. A congenil and efficient chairmant was found in Dr. Wilber force Alkins, and Mr. Perry counciled the vice-cuir. The green lawn which or looked High Part, and which is probable the most pleasant and picturesque spot around the most pleasant and picturesque spot around the most pleasant and picturesque spot around the most pleasant and the guests from the Junction and the Queen Oty. The first teast were proposed by the unairman. They wer drunk with great enthusiasm to the Queen, the Governor-General and the gueral government the courty. Then Mr. Kethedy eather in for a address and a trunk, the address being read by the observed of the name of May St. Leger, who made quite a spee in eulogy of the Junction, its pa and fix prospects. There were also other

ly located and overlook Humber Bay, ware opened by the members. The hours passed upedily with song, dance and merri-ment, and all the accommodation of the club was thoroughly enjoyed and appreciated. But if the social entertain-ment provided was appreciated the sporting menu provided Saturday was even better and was partaken of by many friends of the club. The wind was somewhat slack, and owing to this the sailing races were not so exciting as they might have been. The open race was won by the Alvietts, the Elsie and Algerie taking pecond place. The cance race was won by the sculing races Mr. J. Weight acted as unpire and Mr. Frank Hayes acted as un-pire in the single scull and cance races. Ald

of laying the corner-stones was proceeded with, Mr. Warring Kennedy pronouncing those of James Morrison's and the Pease Fur-hace Company's factories well and truly laid, Mr. R. W. Elliot being sponsor for T. Mo-Donald's factory and Mr. A. McRoberts acting in a similar capacity for Barrett & O's establishment. The speeches were a prominent feature of the day's proceedings. Mr. Morrison called the meeting to order and introduced the speakers. The Elliot was the first to hold forth. He partiter in the manufacturing industry of Canada. He eulogized the capability of Mr. McDonald, the corner-stone of whose factory he had just laid, declaring that this manu-facturer had become so thorough in his business that articles were produced 28% times as cheap as what they were imported for a few years ago. He expressed his con-fidence in the other manufacturers and in Minico. The factories just begun would be a city. Schools, churches, stores, houses would follow the factories, as well as many subsidiary interests. (Applane.] Mr. Kennedy said this was a real-litter day, for Men Schod anniversary of the corner-stones of four factories had been laid and fwe others would be begun which a year. The had the utmost confidence in the enter-prise, as the firms were all highly rated and the ducent (Cheers.] It was also a real-fitter day for Mimico. To-day was the be-finning of days for Mimico. The corner-stones of four factories had been laid and the ducent contribution the year. He then dis-tributes and the second formation and the second that the adde tumose confidence in the enter-prise, as the firms were all highly rated and the duce contry could be great without manu-to the sevense confidence in the factory-ment and the seving they would foo-torise mining within the year. He then dis-tributes to the development which would foo-tones of the sevense of Mimico. The data capteres in Mimico. The data market. The marvelous progress of when market. The marvelous progress of would talse place in Mimico. The dyn Pillman

RED-LETTER DAY FOR

Factories - The Ceremony and the Men Who Were There. A At 2 o'clock Saturday afternoon a special pain moved out of Union Station carrying between four and five hundred people. They were the guests of the Mimico factory pro-jectorate and were on their way to see the

corner-stone laying of four of the factories. A short run brought the train to Mimico

station. Here it stopped, much to the surprise and indignation of the syndicate people, who

had chartered it to run to the factory sites.

Nothing daunted, however, the crowd gaily tramped up to the sites. Here signs of the coming manufacturing suburb were appar-ent. The foundations for four large factor-

ies were laid and a number of houses were

hose of James Morrison's and the Pease Fu

already under construction. The ceren of laying the corner-stones was proce

with, Mr. Warring Kennedy pronound

ng the Corr

was continued in . No place in Canada had such a bright future as Mimico. [Applause.] Mr. McRoberts said he wanted to say to business Mr. McRoberts said he wanted to say to them a few words on a matter of business, and that business was Mimico business. He quoted the remark of Johnson at a brewery sale: "You have come here to day to buy the potentialities of wealth beyond the dreams of avarice." Now he would not go that far in connection with Mimico, but what he would say was that the nucleus was started to day for a thriving suburb of Ontario's great metropolis, and all that was necessary to make it as unqualified success was unity of action and started to day for a thriving suburb of Ontario's great metropolis, and all that was necessary to make it an unqualified success was unity of action and jushing work on the part of all interested in the new town of the future. The last speaker had suggested a watchword. When talking of Pullman he thought if the 'a'' was replaced by an 'e'' it would fill the bill-pull-men-that was pull like men for the welfare of Mimico. [Laughter and ap-plause.] All the proprietors in Mimico were working harmonicusly, and he was glad of it. It bespoke success for the place and credit for all concerned. He might announce that two of the largest plano and organ companies on the continent were on the eve of consoli-dating and it was probable that they would locate their works in Mimico. He had seen the members of the firm to-day, and found out their greatest objection to the main the iting them that if they located in Mimico's [Laughter.] He was gliad to find that this was the most serious objection. He had been around Mimico a good deal and had never seen any more fog than there was to and it would be impossible to operate their factories. [Laughter.] He was gliad to find that this was the most serious objection. He had been around Mimico a good deal and had never seen any more fog than there was to and it hat were done there would be a dif-ferent tale to tell a year from this day. [Loud applause.] Tunch was then served, the train boarded and it hat were shanded at Union Station at 6 o'clock.

Joseph Maloney and the Detectives. Editor World : Would you do me the kindness and justice to publish this article in answer to observations which appeared in The Evening Telegram of your city, the purport of which was that I was compelled to fice from Toronto on ao count of the action of Inspector Stark or his officers. Such is not the case. Inspector Stark had no more to do with my leaving this city than was had and if he informed The Telegram's re-

had no more to do with my leaving mis city man you had, and if he informed The Telegram's re-porter that he did he was circulating an absolute faisehood. If he did not some of his subordinate did. Then it is a strange and peculiar matter that under his boasted regime officers circulate such unitruths. I may state that before I saw Inspector Stark on the day the article appeared all my preparations were made to leave the city.

before 1 saw historical any preparations were made tricle appeared all my preparations were made to leave the city. Will the inspector be good enough to lay the biame on the authors of this gratuitous false hood? The rest of the article is untrue. Mr Editor. The manner in which I obtain my living is as truly legitimate as inspector Stark's and re-gulares no circulation of untruth to support me dulres no circulation of untruth to support me

A lady in Syracuse writes: "For about save rears before taking Northrop & Lyman's Vege table Discovery and Dyspeptic Cire I suffere from a complaint very prevalent with our sex. was unable to walk any distance or stand on m feet for more than a few minutes at a time with out feeling exhausted, but now I am thankful to say I can walk two miles without feeling the leas inconvenience. For female complaints it has n embel."

Special Notices. Cheap frips to England by the Allan Line Roys Mail steamers are now in order. You can pro-cure return tickets, cabin passage, for \$96, \$10 or \$115, according to location of stateroom. In termediate and steerage are also sold at very ion rates. The Allan Line is the only one from Canada that does not carry cattle on its passer was stammers.

These, has have here a set of the passes get steamers.

World

LL the society events are par-ticularized in The World in a way that commends it to

er and are written by hors. The World is the

Reform papers, in regard to the leadership

of the Opposition at Ottawa. The week be

fore last, The Dundas Banner (Reform) came

out with an article to the effect

that Mr. Laurier, a French-Canadian was not the man for leader-that Mr. Blake

was the proper captain of the craft. There-

upon The Hamilton Times (Reform) rebuiled

The Banner in round terms, told it that Laur-

ier was sound for free trade while Mr. Blake

was guilty of the "Malvern hereay" [his well' known speech in which he favored incidental

he was not qualified for the leadership nor

vorthy of The Times' support. "Mr. Blake may

have believed what he said [at Malvern] but his

nown better." was the coarse way in which

The Times referred to him. Then The Globe

ction] and until he "recented" that error

How then do we read these signs! That the Reform party is splitting into halves; a patriotic wing and a disloyal faction. Cart-wright, The Globe, The Times and Winnar are in for contintental free trade or annex ation straight; Laurier is with them so far, but will probably give way to Sir Richard. Mr. Blake will not go with them and he may yet coalesce with the Conservatives who are also patriotic, especially after the refire-ment of Sir John. Mr. Blake may not go to the Conservatives; but once Sir John is gone his followers may readily go to Mr. Blake in order "to save the country" and effectively upset the plots of Cartwright and Winnan In such a move Mr. Blake could not only take a lot of Conservatives, all the patriotic Reformers, but he, and no other man, could take the Frynch-Canadians solid. The the rest of the area the court man, could take the Frynch-Canadians solid. The area the clearer and the conservatives are the court was not the set of the the and was to set of the the and won the area also patriotic, especially after the refire the Conservatives; but once Sir John is gone his followers may readily go to Mr. Blake in order "to save the country" and effectively upset the plots of Cartwright and Winnan In such a move Mr. Blake could not only take the Frynch-Canadians solid.

take the French-Canadians solid. These are the signs and this is how we read them. Will Sir John leave his mantle to

Mr. Blake?

The cloakmakers of New York, to the num ber of 2009, are said to be absolutely starving, as a result of the recent strike. The cold-blooded moral of this is to teach people to think what their action may lead to before taking any decisive step.

Iconoclasm goes on apace. Now Mrs. Amelia Bloomer denies that she invented the costume to which was given her name, nor, she says, was she the first to wear it.

The alien labor law of the United State has again been exhibited in all its small-spiritedness at Brockville. It appears that there is a little job printing office at Alexandria Bay which prints the hotel bills of fare and does any other little jobs which turn up during the tourist season. The proprietor wanted a man to do the work and not being able to secure one telegraphed to Brockville to ascertain if a printer could be got there. A young man who was "subbing" in The Recorder composing room thought he would like the job and on Wednesday afternoon went up to the Bay. But the customs office went up to the Bay. But the customs officer would not allow him to land, holding that he had come into the country under contract. Mr. Taylor's bill in the last session of the Dominon House was in the right direction, however much he was laughed at.

nowever much he was laughed at. by default.

however much he was laughed at. There has been no rain to speak of for several days, but its sweat weather just the same. The Regina Leader says that, had women the power to vote, the intellectual quality of the House of Commons would be failed 30 per cent. As the editor of The Leader is a bachelor, and a good-looking one at that, his testimony can be accepted as upprejudiced. The funniest thing about the edgar revela-tions is to imagine the construction of the dude who smokes nothing but "imported

The funniest thing about the cigar revela-tions is to imagine the constantation of the dude who smokes nothing but "imported goods" on learning that what he had fondly believed was a "Flora Fina de Habana" was in reality a "Parkdalio Rosio de Cablaggio." The sale of immoral literature on the rail-way trains of Belgium reached such a height that the Government has suppressed the sale of all books. This seems to be about as son works and the sale of instantion of the sale of all books. This seems to be about as son works at would be to set firs to a house to

aible as it would be to set fire to a house to avoid the trouble of scrubbing out the Miches

Rosedale's Victorious Cricketers. Rosedale first time this season met Gooderham & Worts', the strong batting and bowl-

ham & Worts', the strong batting and bowl-ing team. Saturday. Rosedale won by 67 runs with Bowbanks 42 not out, Hall 9 not out and 7 men to bat. Bowbanks' 43 was without a chance. C. White and J. E. Martin did some phenomenal fielding in the slips and point. Clement's bowling analysis reads: M. 2, O. 12, W. 6 and H. 9. The wicket was drawn at 6%. Mr. Ledger, when Rosedale had made 100 runs, declared his innings closed, putting Gooderham & Worts in to bat, leaving them 1% hours to draw or win, but unfortunately time just sufficed to lose. For 'Gooderham & Worts Tossell was the only one who made a stand-18 not out. Harrison and Youens were the only ones who got Rosedale's wickets-1 each for 10 runs. Boore: runs, Score:

The game creatly of its morie. Brantfords v. Capitals. The Brantfords and Capitals will meet for the first time on Hosedale grounds Dominion Day affernoon. The match will be keenly contested. It is an important event in the championship series, and visitors to the city will be able to see a first-class hacrosse match. G. & W. Clement.

#### C.L.A. Executive Meeting.

O.I.A. Executive Meeting. A historing of the Canadian Laurosse Asso-ciation was held at the Rossin House Satur-day afternoon. The protest entered on ac-count of an alleged forged certificate to W. Grafiam, that the Owen Sound-Chesley match be played over was dismissed. The Olympic-Toronto Athletic game played at Milton June 14 was ordered to be played over again. The committee requested that the Orangeville Shelburne game, postpoised on account of the inability of. the teams to meet owing to a washout be played before July 25. O.W.A. Meet at Ottawa. To-morrow at Ottawa the Canadian Wheel

To-morrow at Ottawa the Canadian Wheel-men's Association will hold its ninth annual race meet. Bicyclists from all parts of Canada will gather for the election of offi-cers and the transaction of business. The Torontee and Wandersra will each send down a good number of men. Members of either oinb who have not got their tickets should call at the office of A. F. Webster, 58 Yonge-street, and receive the benefit of the special rate.

Powers Knocked Nagle Out.

ST. JOHN, N.B., June 28 .- A skin glove fight to a finish, Queensberry rules, between Jack Powers and Dick Nagle, came off this

Jack Fowers and Dick Nagle, Calle on this morning at Vanceboro. Both men were in the pink of condition. Powers forced the fighting, and in two minutes and 39 seconds knocked Nagle out with a tremendous right-hander on the jaw.

THE CHAMPION SCOTS. Their Drawn Game with the Seaforth

Hurons Gives Them the Cun Scots, 1-Patterson. Hurons, 1-Smith.

The second of the series of two games for the Western Association cup between the Toronto Seots and the Hurons of Seaforth Toronto Seots and the Hurons of Seaforth

the Western Association cup between the Toronto Scots and the Hurons of Seaforth Toronto Scots and the Hurons of Seaforth took place at the baseball grounds Saturday are stated to the gains by three goals in the two matches and seach scored the better in Seaforth, when the Scots had the better the scots and the scots and the scots and the torong determined by the majority of geals in the two matches and as scots scored to the gains by three goals in the two matches and as scots order the victors by four games to three.
The Hurons played all around the Scots and the bedks only permitted a single goal. Two dangerous shots were made by Dewar early in the gains, one candle a single goal. Two dangerous shots the percent my the direct and control gave single handed run and centre gave Smith the part of the scole scots. The Scots scots and still they were accidentally kloked in the eye by Crawford, an eccessfully kloked in the eye by Crawford, some dandies. After a run down by the scots and Mannison rushed the ball in goal and the ball in goal at the barden on the shot, which scots in and the former gave the parting successful to in the former gave the parting successful to cance the shots. After a run down by the scots and Mannison rushed the ball in goal and the former gave the parting successful to for maltenese takes and give it a trial.
The Stoots forwards played very strongly in the scots for marks and informer for the inclust on the barden on the scots and successful the barden and Mannison rushed the ball in goal at the parting successful to the former gave the parting successful to inclust by Michael and the barden in a shot, which so the partial part of the scots forwards played very strongly in the gain for the cone and the scots and the barden on the scots and the part of the scots and scots and the part of the scots and scots and the part of the scots forwards played very strongly in the scots and the parts of the work in the scots and the part of the ball in the scots forwards 56.15 81.34 80.64 94.09 96.08 102.00 106.04 108.88 111.01 117.12 119.28 190.65 189.65 188.87 185.96 141.85 144.66 147.84 144.66 147.84 144.65 166.11 156.85
