Seven Out of Eight Samples Tested Declared Dirty

CARE

Investigation Held by Medical Officer of Health

CHATHAM, Oct. 27 .- The condition of the milk at present being supplied to the householders of Chatham has been made the subject of an investigation on the part of the medical officer of health, Dr. T. L. Ritchie. He finds out of 8 samples of milk taken from ocal vendors, all but one were very dirty. From 36 samples of milk taken from producers 15 were dirty or very dirty, 13 only fairly clean and 8 clean. The M. O. H. thinks the trouble which causes the dirty milk in Chatham is due to the fact that the producers do

not take the proper care in milking. Petty thieving continues in this disquantity of preserved fruit taken. Frank Chesley, the farmer who missed farmers who are getting rid of their farmers from his barns, grade buils in exchange for a sixeports that the harness was returned n his absence from home. Harry Bureigh, the young man accused of stealing a bicycle from H. A. Kayhue, of Chatham Township, has been remanded or a week
