A SMALL PILL, BUT POWERFUL.—They that judge of the powers of a pill by its size, would consider Parnelee's Vegetable Pills to be lacking. It is a little wonder among pills. What it lacks in size it makes up in potency. The remedies which it carries are put up in these small doses, because they are so powerful that only small doses are required. The full strength of the extracts is secured in this form and do their work thoroughly.

ALWAYS A GOOD FRIEND.—In health and happiness we need no friends but when pain and prostration come we look for friendly aid from sympathetic hands. These hands can serve us no better than in rubbing in Dr. Thomas' Electric Oil, for when the Oil is in the pain is out. It has brought relief to thousands who without it would be indeed friendless.

Sciatica and Neuralgia are Cured by
"Bu-Ju"

UNBROKER, Aug. 31st, 1904.
"It is with much pleasure that I send you this testimonial, regarding the wonderful benefit I have derived from the use of Bu-Ju Kidney Pills. Have been an invalid for nearly 3 years, with Inflammatory Rheumatism, and was bed-fast until about 6 months ago, when an old friend of the family called to see me, and left me some of your Pills. I began to feel the benefit of them after taking one box. I have continued using them and am now able to get out of bed and dress myself and can go without crutches. Before taking the Pills I was as helpless as an infant and had to be taken care of like one."
JOHN McCULLOUGH

Sick, weak kidneys are responsible for Rheumatism, Sciatica and Neuralgia. When the kidneys are not well, they won't filter out uric acid from the blood. It is this poison, remaining in the blood and carried to joints, muscles, nerves, that causes the pain. The only way to permanently cure Rheumatism, Neuralgia, Sciatica—is to cure the CAUSE of the trouble—the Kidneys. The only safe, certain way to make sick kidneys well is to take

"Bu-Ju"

IN A CLASS BY ITSELF

There are many emulsions of Cod Liver Oil, all more or less good, no doubt, and all very much alike, the principal difference being in the quantity and quality of the oil that enters into their composition, and perhaps something in the method of manufacture.

FERROL

on the other hand, while it is an emulsion of Cod Liver Oil, occupies a place entirely above and beyond the ordinary preparations above referred to.

The reason is, that **FERROL** combines with the oil **Iron and Phosphorus**, which all other emulsions lack, and without which no emulsion is anywhere near perfect.

In **FERROL** the well-known virtues of Cod Liver Oil as a flesh and weight producer, the unparalleled qualities of Iron as a blood builder and purifier, as well as the undoubted advantages of Phosphorus as a **Nerve and Brain** tonic, are all not only combined and retained, but wonderfully enhanced by the process of amalgamation.

No argument is necessary to prove the inestimable value of such a preparation as **FERROL** in the treatment of Coughs, Colds, Bronchitis, Croup and all Bronchial or Lung Troubles.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is endorsed by the most eminent Medical Journals. It is used in prominent Hospitals, Sanitariums, etc.
