Guide-Advocate

HARRIS & CO. PROPRIETORS

WATFORD, AUG. 25, 1911.

In these days of strife between two great political parties we must remember that after all we are just a band of brothers here on earth, travelling from the cradle to the grave. We live side by side, our children attend the same school and after the smoke of the battle has cleared away we still will be friends and neighbors. Let the bitter things go unsaid. At best, life is short, and we get out of it a full measure of sorrow. Let us in our little town live as one big, good-natured family.

There is no better county than Lambton in all out doors, and no better town than Watford. It is handsome, progressive and prosperous. Every citizen should have faith in the town and its possibilities, and should keep the name of Watford and her advantages before the people. A favorite author in writing of ancient Rome said—"None were for a party" and "All were for the state." Let these sentiments be your guiding spirit. Let every citizen work first, last and all the time for the good of the town, and the prosperity that has been with us will be more than double in the next decade. In the words of the temporarily immortal Teddy, "Get together," advertise, keep the name of your town before the people in every legitimate way. Do all you can to draw trade from the surrounding country. Use the Guide-Advocate in every possible way to make your desires known. Spend money freely in placing yourself in the "lime light" and you will be successful not only in your personal business but in bringing business to town that is now being drawn elsewhere. The people who are building up other towns do not differ much from you, but they are too busy to remember petty discord. They are banded together for a purpose, and being united they find what they seek.

BOWLING.

Decision in Strathroy Liquor Case.

Judge Macbeth gave his decision Tuesday that the Walkerville Brewing Company was within the law in shipping beer to Strathroy on private orders despite the fact that the town is "dry." It is now understood that Mr. S. Morgan, of Kerwood, will adopt a similar defence, alleging that he is an agent of the Walkerville firm and that the goods were merely left on his premises to be taken when desired by the owner. Several cases of lager were found in his basement at Kerwood when visited by Inspector Galpin, of London. The manner in which the liquor is shipped into dry towns in such instances is similar to that adopted at Strathroy. The purchaser orders the goods from the brewery to be left in storage at the local agency and to be taken whenever desired.

BROOKE.

Johnston Cowan left for the West Tuesday. Miss Florence Sedwick, Watford, is spending a week with her friend, Miss Gertrude Lucas, Sutorville. Miss Nettie McEachern left Tuesday for Medicine Hat, Calgary and vicinity for a two months' visit with relatives. Mrs. W. H. Downing, of Lucan, lost her life through the explosion of a gasoline stove last week. Deceased lady was a sister of Mrs. J. N. Dodd, of Alvinston, and a sister-in-law of Fred Downing, Brooke. A petition for a mail route along the

12th line Brooke and back by 6th line Warwick, to Watford, has been sent to the Post Office Department and it is to be hoped the same will be granted as a mail service in this part of the township is very much desired.

Lida, the young daughter of Mr. W. Lucas, of Arkona, who is visiting at Mr. Richard Lucas', Sutorville, was riding at the back of a buggy on Wednesday when the horse gave a sudden jump causing the little girl to fall on the hard ground, with the result that her collar bone was broken. Dr. Kelly set the fracture.

The annual garden party of Chalmers' Presbyterian church, Brooke, will be held on Sept. 1st on the lawn of Mrs. A. MacGregor, Navoo Road. A choice program is being prepared, the committee having secured one of Canada's most famous elocutionists for the occasion. Talent is also expected from Sarnia and Watford. Inwood Band in attendance. Supper served from seven to nine. Come one, come all, and enjoy a pleasant and profitable evening. Rev. Dr. McDonald, of Kilmartin, will occupy the chair.

The Ladies' Aid of St. Andrews Presbyterian church, 10th con., will hold a social on Labor Day, Sept. 4th. Among the talent engaged will be John Patterson, comedian, (London's Harry Lauder), Will Smith, Walnut, Mr. Friend Luckham, Watford, and others. Dr. Martyn, of Alvinston, will preside, and speeches will be given by Rev. Neil Campbell, Mayor Stritt, of Petrolia, Mr. Wilson and Mr. C. Mouncrieff, of Petrolia, and others. The Petrolia orchestra will also be present. A number of young ladies of the congregation will execute a fancy drill. Lunch served from 7 to 9 o'clock. Admission 25c and 15c. a25-2t

The ratepayers of Brooke and Alvinston will vote on a by-law on Sept. 11th to raise by debenture \$3,500 for the erection of a joint town hall in the village of Alvinston. The proposed hall will be two storeys with basement and decidedly commodious. The top storey will be for public purposes and will seat 500 to 600 people. A nice large stage with wings will be one of the beauties of the hall. The ground floor will contain the offices, each private, and entered by separate doors, a large council chamber will occupy the back part with side entrance. The furnaces and cells will be located in the basement, the former towards the front, the latter occupying the rear.

A number of friends and relatives of Mrs. Eliza Dunlop, one of the old pioneers of Warwick, who is residing with her daughter, Mrs. A. J. Zavitz, Walnut, gathered on Saturday to celebrate her ninety-first birthday. All were pleased to see the venerable old lady well and hearty for her advanced age, and a most enjoyable time was spent in music and conversation. One of the old pioneers, Mr. Thos. Lachlan, of Warwick, added to the pleasure of the occasion by singing some of the old pioneer songs. The relatives present from a distance were Mr. and Mrs. Elijah Bearss, Bailey, Mich., Mrs. Gale, London, Miss Muriel and Mr. Ivan Dunlop, King Lake, and Mr. Bert Cutler, McGregor, Mich.

NAPIER.

Sidney Sutherland has just returned to Canada from an extensive tour of the old land. He spent a few days at the home of his mother, Mrs. C. Sutherland. However there is no place like Canada for him.

The west is still taking more of our men, Frank and William Goldrich along with Malcolm McIntyre have gone west for a few weeks. Mr. McIntyre has gone out to visit his two sons who are engaged in very lucrative business there.

The September meeting of the Napier branch of the Women's Institute will be held at the home of Mrs. Henry Field. A paper on Woman Suffrage will be given by Mrs. Duulop. Mrs. Inytre will give recipes for pickles and salads. Roll-call—Limericks.

Mr. Denning, father of James and Geo. Denning, passed away to his reward on Thursday afternoon of last week, August 17th. During his long illness he bore it patiently and eagerly longed for his departure. The sympathy of the village is extended to all sorrowing relatives.

We regret very much the possible removal from our village of Robert Tompkins. For a number of years he was our faithful stage-driver and during the past few months he ran a fine double rig from Napier to Strathroy three times a week. His property including the stage outfit, has been purchased by our new stage-driver, Mr. Moore. Later information indicates the possibility of Bob securing some good job so that he may yet be able to be in our midst. We wish him good luck wherever he may go. Mr. Moore, our new stage-driver began the new route a week ago and from first impression we believe that the good services of days gone by will now be rendered. We trust the people will give him as much of their patronage as possible. Hearty congratulations Bob!
