### MOTHER SUPERIOR

**Says Vinol Creates Strength**

Rosary Hill Home, Hawthorne, N. Y.

"I have used Vinol for many run-down, weak or emaciated patients with benefit. One young woman was so weak and ill she could hardly creep to my door for aid. I supplied Vinol to her liberally and in a month I hardly recognized her. She was strong, her color charming and her cheeks rounded out."—MOTHER M. ALPHONSA LATHROP, O. S. D.

We guarantee Vinol to sharpen the appetite, aid digestion, enrich the blood and create strength.

### The Duchess of Connaught

In Canada, which was almost the last home of the Royal Highness the Duchess of Connaught, the news of her death is received with general regret and with deep sympathy for the Duke and the Princess Patricia. All of our people who came in contact with the Duchess will remember her for her simple kindness and the absence of ostentation in her manner. Unfortunately the term of the Duke's residence in Canada was very largely one of ill-health for the Duchess, and the war that has raged for the last thirty-one months did not conduce to the happiness of any of us. To the Duchess the struggle must have been peculiarly saddening. Of the Royal House of Prussia, she had close kin fighting against one another. The Kaiser and the Queen of Greece were her second cousins. The serious illness which caused her return to England so soon after originally coming to Canada left her with less power of resistance to such attacks as that which carried her off.

### Slow Sale of Seed Oats

Thus far only sixty odd thousand bushels of No. 1 Canadian Western seed oats have been ordered for all points in Eastern Canada. Flour and Feed merchants are somewhat averse to purchasing carlots without assurance as to it being wanted for seed. As a matter of fact this seed oats should be worth the extra price for feed, because the light grain and weed seeds have been removed in cleaning.

Farmers desiring No. 1 C. W. seed oats should order promptly through their dealer or club together and purchase in carlots. These seed oats are of the Banner and Abundance varieties and the germination is much superior to Eastern grown oats of the 1916 crop. Seed Branch, Ottawa.

### An Interesting Seed Case

A case of interest alike to seedsmen and farmers was recently tried in an eastern Ontario court. It appears that a field in the neighborhood had been seeded down for some years. The owner, it further appears broke up the field in 1915 and put it in grain. Next year he sowed grain again, at the same time seeding with timothy and red clover. In this second year a large quantity of mustard grew up with the crop. The owner of the field claimed that the mustard grew from seed mixed with the clover, entered suit against the seedsmen, and recovered \$300 in damages.

### Company of the 149th Moves

Sarnia, March 15.—The company of the 149th Battalion which has been stationed at Sarnia for the past month left here to-day to join the battalion at headquarters at London, where preparations are being made for a unit to go overseas. The battalion was recruited throughout the county of Lambton and is commanded by Col. W. W. MacVicar, of this city. A company from the 153rd Battalion, of St. Thomas, has arrived to take the place of the departed men.

### She'd done her best

A woman in a railway waiting-room the other day had a great deal of trouble with one of her children, a boy of seven or eight; and a man who sat near her stood it as long as possible, and then observed:—

"Madam, that boy of yours needs the strong hand of a father."

"Yes, I know it," she replied; "but he can't have it. His father died when he was six years old, and I've done my best to get another husband, and failed. He can't have what I can't get."

Philosophy may not prevent a man from falling in love, but love knocks the corners off a lot of philosophy.

To clear smoky or sooty rain water, beat the white of an egg in a quart cup, fill up with water, stirring thoroughly. Pour this into a tub or boiler of smoky water. The water can soon be skimmed of its dirt.

Miller's Worm Powders will eradicate the worm evil that bears so heavily on children and is believed to cause many fatalities. They are an acceptable medicine to children and can be fully relied upon to clear the food channels thoroughly of these destructive parasites and restore the inflamed and painful surfaces to healthfulness. They are an excellent remedy for these evils.
