We purpose to make the nominal charge of TWO DOLLARS per annum to each user, commencing October first. All payments to be in before November first, or we will be compelled to close our yards and most likely the Hotel as well. If we do so those having paid their fee, it will be refunded. Call and get your receipt and have your name enrolled. The usual charges will be made on Fair Day and any other big day as formerly. This will be no dream, but an actual fact.

Yours Respectfully, ROCHE BROS.
