MISCELLANEOUS.

He wears his faith but as the fashion of his hat; it never changes with the next block.—Shakespeare.

Gentlemen,—I was thoroughly cured of indigestion by using only three bottles of B. B. B., and truthfully recommend it to all suffering from the same malady. Mrs. Davidson, Winnipeg, Man.

The length of the largest tiger skin after drying is said to be 13 feet 6 inches, but it must be noted that skins expand considerably in the curing.

The people quickly recognize merit, and this is the reason the sales of Hood's Sarsaparilla are continually increasing. Try it.

It is not by change of circumstances, but by fitting our spirits to the circumstances in which God has placed us, that we can be reconciled to life and duty.—F. W. Robertson.

ANOTHER RECORD MADE.

For nearly forty years, Dr. Fowler's Extract of Wild Strawberry has been the leading and surest cure for cholera, colic, diarrhoea, dysentery, and all summer complaints. It is a record to be proud of.

On the slopes of the Apennines there are said to be several races of silkworms free from the various ills which attack those in other regions. One particularly hardy race is the Reggiana, which is cultivated extensively as high up the mountains as the mulberry tree will grow.

IT SAVED HIS LIFE.

Gentlemen,—I can recommend Dr. Fowler's Extract of Wild Strawberry, for it saved my life when I was about six months old. We have used it in our family, when required, ever since, and it never fails to cure all summer complaints. I am now fourteen years of age. Francis Walsh, Dalkeith, Ont.

Captain John Christianson has made one of the deepest dives on record. He plunged into the waters of Elliot Bay, and, after 20 minutes, returned with a lead line and a bucket from one of the hatches of the tug Majestic, lying at a depth, at half flood tide, of 195 feet. He apparently suffered no great inconvenience.

A BATTLE FOR BLOOD

Is what Hood's Sarsaparilla vigorously fights, and it is always victorious in expelling all the foul taints and giving the vital fluid the quality and quantity of perfect health. It cures scrofula, salt rheum, boils and all other troubles caused by impure blood. Hood's Pills cure all liver ills. 25c. Sent by mail on receipt of price by C. I. Hood & Co. Apothecaries, Lowell, Mass.

The Rev. W. Tuckwell, in "Tongues in Trees and Sermons in Stones," says (page 85): "The oldest living tree in the world is said to be the Soma cypress of Lombardy. It was a tree 40 years before the birth of Christ." But Alphonse Karr, in his "Voyage autour de mon Jardin," says (page 39), of the baobab (Adansonia digitata): "It is asserted that some exist in Senegal that are 5,000 years old."—Notes and Queries.

HAVE YOU HEADACHE?

Headache, which is usually a symptom of stomach trouble, constipation or liver complaint can be entirely cured by B. B. B. (Burdock Blood Bitters) because this medicine acts upon, and regulates the stomach, liver, bowels, and blood.

I would do what I pleased, and doing what I pleased, I should have my will, and, having my will, I should be contented; and when one is contented, there is no more to be desired; and when there is no more to be desired, there is an end of it.—Cervantes.

A CHILD SAVED.

My little boy was taken very bad with diarrhoea, he was very delicate, and got so low that we had no hope of his life, but a lady friend recommended Dr. Fowler's Extract of Wild Strawberry, and, although he could only bear a few drops at a time, he got well. It saved my child. Mrs. Wm. Stewart, Campbellville, Ont.

Naphthalene, which is a product of coal tar distillation, in appearance somewhat like paraffin, has been found useful in England for the preservation of timber. The wood is soaked for two to twelve hours in the melted naphthalene at a temperature of about 200 degrees Fahrenheit.—Scientific American.

LOCAL OPTION.

This term should be applied to the choice every intelligent person has between Burdock Blood Bitters, the natural and certain remedy for dyspepsia, biliousness, constipation, headache, and bad blood, and the various imitations offered by unscrupulous parties as being "just as good." There is nothing else as good as B. B. B. It is an honest medicine.

A Gentleman

Who formerly resided in Connecticut, but who now resides in Honolulu, writes: "For

20 years past, my wife and I have used Ayer's Hair Vigor, and we attribute to it the dark hair which she and I now have, while hundreds of our acquaintances, ten or a dozen years younger than we, are either gray-headed, white, or bald. When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.' "In 1868, my affianced was nearly bald, and the hair kept falling out every day. I induced her to use Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarrun, Bastrop, Tex.
