"Being authorized by Messrs. Pears to purchase at any and all times, and of any dealers, samples of their Transparent Soap (thus ensuring such samples being of exactly the same quality as is supplied to the general public), and to submit same to the strictest chemical analysis, I am enabled to guarantee the invariable purity of this soap.

"My analytical and practical experience of PEARS' SOAP now extends over a very lengthened period—nearly fifty years—during which time I have never come across another Toilet Soap which so closely comes up to my ideal of perfection; its purity is such that it may be used with perfect confidence upon the tenderest and most sensitive skin—even that of a new born babe.

REMINGTON TYPE-WRITER.

"I advise parents to have all their boys and girls taught shorthand writing and type-writing. A shorthand writer who can type-write his notes, would be safer from poverty than a great Greek scholar."—CHARLES READE, on "The Cuning Man."
