Exhilarating and True Recreation Without Expense.

DR. CYRUS EDSON, Ex-President of the New York Board of Health,
says: "I consider the bicycle a blessing to the human race. Not only has
it given a vast number of people increased health, vigor and vitality, but it
has added greatly to the pleasures of mankind."

All for the Fulfillment of An Easy Requirement — and we
will help you if you drop us a line.

For 150 new VOICE subscribers
