64 Temple Building, Montreal.
Bell Telephone 2799.

Information solicited from any part of the Dominion regarding contracts open to tender.

ADVERTISING RATES ON APPLICATION.

At its Convention held in Toronto, Nov. 30 and 31, 1889, the Ontario Association of Architects signified its approval of the CANADIAN CONTRACT RECORD, and pledged its members to use this journal as their medium of communication with contractors with respect to advertisements for Tenders.

The following resolution was unanimously adopted at the First Annual Meeting of the Province of Quebec Association of Architects, held in Montreal, Oct. 10th and 11th, 1890: "Moved by M. Perrault, seconded by A. F. Dunlop, that we the Architects of the Province of Quebec now assembled in Convention being satisfied that the CANADIAN CONTRACT RECORD affords us a direct communication with the Contractors,—Resolved, that we pledge our support to it by using its columns when calling for Tenders."

Subscribers who may change their address should give prompt notice of same. In doing so, give both old and new address. Notify the publisher of any irregularity in delivery of paper.

NOTICE

Subscribers and advertisers are requested to note that, beginning with the first number of Volume IV, in February, the CONTRACT RECORD will be published on THURSDAY, instead of SATURDAY, of each week. This change will ensure the prompt publication up to date of issue of contract news from all parts of Canada. After the date mentioned, news of this character, as well as advertisements, should reach the office of publication not later than noon on WEDNESDAY.

Mr. R. T. Sutton, who took a sub-contract from Medler & Arnott for dredging at the Queen's wharf, Toronto, has brought suit to recover \$8,600 on account of extras. Medler & Arnott are seeking to recover from the Harbor commissioners any amount for which they may be held liable.

NEW HOTEL AT BELLEVILLE TENDERS WANTED.

Sealed tenders addressed to the undersigned will be received until February the 11th, 1893, for the whole work, or the work of the several trades separately, required in the erection of a Hotel building for the Belleville Hotel Company at Belleville.

Plans and specifications may be seen at the temporary office of the architects on Bridge street, Belleville.

The lowest or any tender not necessarily accepted.

Contractors will have to sign a contract to be prepared by the solicitor of the company, and to give sufficient guarantee for the due performance thereof.

GILLEN & GILLEN, Architects,
Jan. 24th, 1893. Belleville P. O.

Address, CITY ENGINEER., TORONTO, CANADA, stating size, age, style, draught, power and other particulars, also the lowest cash price, delivered in Toronto, and the earliest date delivery can be guaranteed.

CONTRACTS OPEN.

ELMIRA, ONT. Several new buildings will be erected here in the spring.

KINGSTON, ONT. — It is said that a New York syndicate will erect a summer hotel at Wolfe Island to cost \$30,000.

NEWBORO, ONT. — O. E. Liston, architect, of Brockville, is preparing plans for a new Methodist church to be erected here.

DELHI, ONT. — Messrs Quance Bros., of this place, desire to secure a supply of ties of all kinds, delivered at the Delhi station.

CHATHAM, ONT. — The Dominion Leather Pulley Company is applying for incorporation with a capital stock of \$12,000.

TOTTENHAM, ONT. — Mr. Kennedy, of Barrie, has been appointed architect of the town hall and school house to be erected here this summer.

ELGIN, ONT. — Geo. A. Allan, architect, of Brockville, is preparing plans for a dwelling and store to be erected in this town for Mr. J. Dargavel.

FORT WILLIAM, ONT. — A by-law has been carried by the ratepayers granting a bonus of \$50,000 for a blast furnace, and \$15,000 to build a new school.

LONDON, ONT. — Messrs. McBride, Jones & Farncombe, architects, are asking for tenders until to-day (Saturday) for the erection of a brick residence.

MITCHELL, ONT. — Plans prepared by Messrs. Cuthbertson & Fowler, architects, of Woodstock, have been accepted for the new church to be erected here.

SARNIA, ONT. — J. D. Lowrie, Township Clerk, will receive tenders until Saturday, the 11th inst., for the repair of the Tall-fourth street drain, in the township of Sarnia.

VICTORIA, B. C. — A charter will be asked for to build a railway from Nelson to Slocan Lake, via Slocan river, thence to New Denver, and having its terminus on the Arrow lakes.

HALIFAX, N. S. — The Board of Works of this city will receive tenders until the 6th inst for the supply of 4,500 barrels of cement and 150,000 bricks also for drain pipe including traps, bends and slants.

QUEBEC, QUE. — A presbytery is to be erected for the Rev. Theop. Monting curate of the parish of St. George (Beauce) to be built in stone and brick, plaster finish inside, metal roof, and hot water heating apparatus, cost \$6,000.

WINDSOR, ONT. — Messrs. Maycock & Newman, of this place, are preparing plans for Messrs. Gillman & Barnes for improvements on Fighting Island, the nature of which cannot yet be published, but will necessitate an expenditure of about \$30,000.

FARGO, ONT. — Geo. W. Huffman, of this place, will receive tenders until Friday next for the erection of a brick veneered parsonage at Huffman's corners, Harwich township. Plans may be seen at the office of T. J. Rutley, architect, Chatham.

BROCKVILLE, ONT. — The Town Council has decided to immediately construct sewers on Perth street from Brock to Abbott; and on Kincaid street, from Jones to the Gardiner Works. It has also been decided to purchase a quantity of quick lime.

SUBURVY, ONT. — Messrs. Warren & Perkins will call for tenders in a few days for the erection of a three-story brick hotel to cost \$1,500. — It is said that some parties contemplate erecting another hotel. Plans will be prepared by Mr. Kenny, of Collingwood.

CHARLOTTETOWN, P.E.I. — J. W. Morrison, Secretary Public Works, will receive tenders until Wednesday, the 15th inst., for the rebuilding of the Brae Bridge, lot 9, Prince County. Plans may be seen at the Department of Public Works, this city, and at the store of Mr. Strang Hart, Coleman Station.

BRANTFORD, ONT. — The Brantford Electric Light & Power Company intend to replace the wooden dam below Lorne bridge by a stone structure. — The report of the President of the Brantford Board of Trade recommends the erection of a Board of Trade building. It is probable plans may be prepared at once.

STRATFORD, ONT. — It is the intention of Mr. John Morris to erect another residence here, tenders for which will be asked by Mr. D. G. Baxter, architect, about the 11th of February. It will be of

red brick two stories high, with hot air heating, plumbing, mantel and grates, estimated cost \$3,500. Tenders will also be asked about the same date for a white brick addition to the residence of Mr. Joseph Salkald, cost \$1,480. — Mr. Baxter has also prepared plans for a red brick shingle residence for Mr. Daniel Ross, cost \$1,600. Tenders will be received for its erection until the 18th next.

WINNIPEG, MAN. — Tenders have been asked by the Committee on Works for the construction of a sewer on Mayfair avenue. — It is announced that the Canadian Pacific Railway Company will erect a large sorting elevator in this city. — The Young Men's Conservative Club is now making arrangements for the erection of a fine club building to cost \$40,000. — Two sets of plans have been received by the Public Works Department for the new court house. The authors are Mr. Geo. Brown and Mr. C. H. Wheeler. The cost of the new building will be about \$50,000. — Mr. James H. Ashdown, hardware merchant, will erect a large warehouse during the present year.

HAMILTON, ONT. — Messrs. William Stewart & Son, architects, have invited tenders for the erection of a three-story box factory. — A new Methodist parsonage is about to be erected at Tapleytown, plans for which have been prepared by J. L. Hills, architect, of this city. — Tenders will shortly be asked by the Board of Works for the annual supply of lumber, spikes, cedar blocks and other material. — Tenders are asked until to-day (Saturday) for constructing a wharf at Hamilton Beach for the Hamilton Steamboat Company. The Y. M. C. A. building here is to be improved, at a cost of from \$2,000 to \$3,000. — The Hamilton Street Railway Company will shortly commence the work of reconstructing its tracks on King, James, Barton and York streets. About \$5,000 worth of cedar blocks will be required for pavements if that sort is laid down, but the Board of Works is considering the advisability of laying Trinidad asphalt or some other permanent pavement.

MONTREAL, QUE. — Mr. S. Brown of Toronto, has purchased the property on the north-east corner of St. Catherine and Metcalf streets, containing an area of 3,610 feet. The present building will be pulled down in the spring and a new block erected on the site thereof, to cost from \$30,000 to \$35,000. — Mr. Greenough, M.P. and Mr. Beauharnois, M.L.A. for the Mountains, will apply to the Federal Government for subsidies to assist in the construction of a railroad between the City of Montreal and St. Placide and Green Bay. — The plan of Dominion Square, on which the proposed monument to the late Sir John Macdonald is to be erected, and the buildings that surround it, have been furnished by Mr. A. F. Dunlop, R. C. A., architect. The sculptors will be furnished with said information, and requested to send in designs at once. — Plans have been prepared and work started on two cottages and four dwellings on St. Catherine street, Cote St. Antoine for Mrs. H.
