## He Would Drive Tandem.

On one occasion, after a very jolly dinner with the Second Bengal Cavalry at Segowice, one of the planters who had been playing polo, and who had driven in a tandem pair, was obliged to go home instead of sleeping in the station as usual. As the night was very dark and the road narrow and raised, his friends tried to induce him to unharness the leader. But as he had just enough champagne to make him "contrary," the more suggestion that he was not able to manage a tandem in the dark was sufficient to make him insist on displaying his ability to do so. A happy thought struck one of his friends, so they ceased endeavoring to persuade him, and, when the trap was announced, they had all the lights taken away from the mess veranda. They gave the ayee a rupee to hold his tongue, took off the leader, and fastened both pairs of reins to the wheeler. The jovial planter climbed up, started off immensely proud of himself, and never found out his mistake until he arrived home safe and sound.

"Do you want the ring fourteen or eighteen carat?" said the jeweler to the customer. "Oh, I don't carat all. This is the third woman I've married, and I ain't very particular."

## INVALUABLE TO EVERY LADY

# "MAY DEW,"

The Great French Lotion for Beautifying the Face.

It conceals the evil-ness of age. One application will make the most stubborn red and rough hands beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that will fill up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheek to glow with health, the neck, arms and hands to rival the Lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures Greasy Skin, Freckles, Wrinkles, Pimples, Black Heads, Crow's Feet, Blisters, Face Grubs, Sun Burn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barbers Itch, Tetter, etc. It frees the pores, eliminates, and takes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness is prevented, it beautifies the skin, and will make it soft, smooth and white, imparting a delicate softness, producing a perfectly healthy, natural and youthful appearance. The best face lotion that the world ever produced. We will send a large bottle to any address on receipt of price—see dollar. When ordering mention this paper.
