**OGILVIE'S**

**HUNGARIAN FLOUR**

*Produces more Bread per Barrel than any other in the market.*

This Flour is very sharp and granular, of high creamy color, which means great strength. Requires *PLENTY* of water, and the dough must not be made too stiff, but softer than what you have been accustomed to when using other flours.

REMEMBER, increased strength in flour means money to you, yielding a greater quantity of Bread, thus far more than repaying for any little extra time. Keep the dough soft, giving it plenty of growing room.

This flour must be left in the sponge, on an average, one hour longer than other flours, which does not involve any extra labor to the baker and gives more bread.

EACH BAG GUARANTEED. SEWN WITH OUR SPECIAL TWINE—RED, WHITE AND BLUE.
