

OFFICE OF THE "CANADIAN ILLUSTRATED NEWS," MONTREAL, 10th July, 1871.

MY FRIENDS and the PUBLIC are hereby requested to take notice that although Mr. W. ROBERTS carries on his business under the name of ROBERTS, REINHOLD & CO., he makes use of my name for his own purposes only...

(Signed,) R. REINHOLD.

THE DOMINION TELEGRAPH INSTITUTE, 89 ST. JAMES STREET, MONTREAL, P.Q.

GEORGE E. DESBARATS, Proprietor.

Established for the purpose of qualifying Operators for the new Telegraph Lines now building throughout the Dominion and the United States.

This Institution having been established three years, may now be considered a permanent College. Its rapid growth and prosperity are due to the demands of the Telegraph community...

The rapid development and usefulness of the Electric Telegraph, and the consequent ever increasing demand for First-Class Operators renders the opening of Colleges for instruction a positive necessity.

Telegraphic Superintendents view this movement as one made in the right direction. Commercial Colleges have, to some extent, assumed the responsibility of teaching in this, as well as in other branches of business education...

The prospects for Young Men and Ladies to study the system of Telegraphy could not be better than at present, and we call upon all who wish to engage in a pleasant and lucrative employment to qualify themselves as Operators on the Lines of Telegraphy...

The possession of a knowledge of Telegraphy is especially open to Ladies; in fact, they are the favorites as operators both in England and America, commanding higher wages, as compared with other employments...

THE DUTIES OF AN OPERATOR.

There is no trade or profession which requires so small an amount of labour, and at the same time where the employee has the same amount of freedom and independence, being at all times master of the instrument over which he presides...
