THE MAMMOTH CYCLOPÆDIA has been published to meet the wants of the masses for a universal compendium of knowledge, practical, useful, scientific and general. The work is published complete in four large and handsome volumes, comprising a total of 2,176 pages, and is profusely illustrated with 620 beautiful engravings. Thousands of dollars have been expended to make this the most complete, valuable and useful work for the masses ever published. It is a work for everybody—man, woman and child, in every occupation or walk in life. The substance and practical utility of twenty ordinary volumes are comprised in these four, and so replete is the work with knowledge of every kind, so filled is it with useful hints and helpful suggestions, that we fully believe that in every home to which it shall find its way it will soon come to be regarded as worth its weight in gold. For want of space we can only briefly summarize a small portion of the contents of this great work, as follows:

**HISTORY.** The MAMMOTH CYCLOPÆDIA contains a complete and authentic history of the great American Civil War, profusely illustrated, with numerous Anecdotes of the Rebellion; a complete History of America, from its discovery by Columbus to the present time; graphic descriptions of famous battles and important events in the history of all nations, chronological history, etc., etc.

**BIOGRAPHY.** This great work contains the Lives of all the Presidents of the United States, from Washington to Harrison, with portraits and other illustrations, also lives and portraits of Napoleon Bonaparte, Shakespeare, Byron, William Penn, Benjamin Franklin, Henry Clay, Daniel Webster, and famous statesmen, authors, poets, generals, clergymen, etc., down to the present day.

**AGRICULTURE.** Valuable hints and useful suggestions to farmers, treating of field crops, gates and fences, fertilizers, farm implements; livestock raising, including the treatment of diseases of domestic animals; poultry keeping, and how made successful and profitable; bee keeping, dairy farming, etc. The treatment of these subjects is complete and exhaustive, and renders the work of great practical use to farmers and stockmen.

**MEDICAL.** Many dollars in doctors' bills will be saved annually to every possessor of this book through the valuable information herein contained. It tells how to cure, by simple yet reliable home remedies, available in every household, every disease and ailment that is curable, this department forming a complete medical book, the value of which in any home can hardly be computed in dollars and cents.

**INVENTION AND DISCOVERY.** Remarkably interesting descriptions of great inventions, including the Steam Engine, the Telegraph, the Printing Press, the Electric Light, the Sewing Machine, the Telephone, the Type Writer, the Type Setting Machine, the Cotton Gin, etc.

**THE WORLD'S WONDERS.** Graphic descriptions, beautifully illustrated, of the Yellowstone Park, Yosemite Valley, Niagara Falls, the Alps, Paris, Vesuvius, Venice, Vienna, the Canons of Colorado, Mammoth Cave, Natural Bridge, Watkins Glen, the White Mountains, etc., etc.

From the above brief summary of its contents some idea of what a remarkably interesting, instructive and valuable work the MAMMOTH CYCLOPÆDIA is may be gained, yet but a fractional part of the topics treated in this great work have been named. It is a vast storehouse of useful and entertaining knowledge—unquestionably one of the best and most valuable works ever published in any land or language. No home should be without it. It is a work to be consulted every day with regard to the various perplexing questions that constantly arise in writing and conversation, by the farmer and housewife in their daily duties and pursuits, and for continuous reading no work is more entertaining or instructive.

# NERVOUS DEBILITY

PILLS, ENGLISH BRAND.

The only genuine cure for Lost Manhood, Exhausted Vitality, Weak Memory, Impatience of the Heart, Premature Decay, Lack of Confidence, Inability of the Married (either sex) and Despondency, all of which follow in the trail of Youthful Errors, Impurity and Excesses.

NERVE WASTE is somewhat a new word of consideration for people of studious habits. People think that the supply of vital energy is inexhaustible, and that repair goes on as fast as waste. Then comes a crash and they are puzzled. They should not be. Nervousness is not a disease, it is a book account, you cannot get out what is not put into the nerves any more than into the bank. The whole train of nervous disorders of either sex can only be reached by one remedy, and that remedy supplies the nervous system with the exact ingredients, in the exact proportion required. Neglect to apply nature's restorative and continue to exhaust the vital spark, and insanity or some other form of nerve depression is near at hand.

To introduce these Pills I will send postpaid, a package which ought to be sufficient to cure any case of Debility, for only 20 cts. But this low price is for this month only, so if you want to try these Pills now is your time.

Enclose 10 two-cent stamps in a letter, with your address written plainly and you will receive a package of these Pills by the next mail after your order is received, with the positive assurance on my part that you will never regret the day you came in possession of this priceless remedy, whose influence, besides restoring the vital force, extends itself to the intellectual faculties, elevating the emotions, dispelling the bane of life and restoring its blessings.
