PATENTED IN CANADA, DECEMBER, 1877

C. C. PATTERSON, Man. for Canada.

Electricity as Applied by the
Owen Electric Belt and
AppliancesIs now recognized as the greatest boon offered to suf-
fering humanity. IT HAS, DOES, AND WILL effect
cures in seemingly hopeless cases where every other
known means has failed. We give the most positive
proof that rheumatism and nervous diseases cannot
exist where it is thus applied. It is nature's remedy.
By its steady, soothing current, that is easily felt, it
will cure:**Rheumatism**
Sciatica
General Debility
Lumbago
Nervous Diseases
Dyspepsia
Sexual Weakness**Liver Complaint**
Female Complaints
Impotency
Kidney Diseases
Urinary Diseases
Lame Back
Varicocle**RHEUMATISM**It is certainly not pleasant to be compelled to refer
to the indisputable fact that medical science has
utterly failed to afford relief in rheumatic cases. We
venture the assertion that although electricity has
only been in use as a remedial agent for a few years,
it has cured more cases of Rheumatism than all other
means combined. Some of our leading physicians,
recognizing this fact, are availing themselves of this
most potent of nature's forces.**To Restore Manhood and Womanhood**As man has not yet discovered all of Nature's laws
for right living, it follows that everyone has commit-
ted more or less errors which have left visible blem-
ishes. To erase these evidences of past errors, there
is nothing known to medical science that will compare
with Electricity as applied by the Owen Electric
Body Battery. Rest assured any doctor who would
try to accomplish this by any kind of drugs is practis-
ing a most dangerous form of charlatanism.**We Challenge the World**to show an Electric Belt where the current is under
the control of the patient as completely as this. We
can use the same Belt on an infant that we would on
a giant, by simply reducing the number of cells. Other
Belts have been in the market for five and ten years
longer, but to-day there are more OWEN Belts manu-
factured than all other makes combined.**Beware of Imitations and Cheap Belts**Our Trade Mark is the portrait of Dr. A. Owen
embossed in gold upon every Belt and Appliance
manufactured by the Owen Electric Belt and Ap-
pliance Co.**Electric Insoles.**—Dr. Owen's Electric Insoles
