CANADIAN CASUALTY

BOILER INSURANCE COMPANY

A High-Grade Public Utility Bond Yielding 6 p.c.

The issuing Company's business is located in Great Britain's
second largest and most prosperous West India Island.

The Company's services are indispensable to modern every-day life.
Owing to the nature of its business, the Company's earnings are not
affected by depressions in trade, and do not show wide fluctuations.

The Company's net earnings are nearly equal to twice the amount
necessary to pay the interest on the bonds outstanding.

The Company's assets are valued at more than twice the amount
of bonds outstanding.

The management is thoroughly experienced, competent and careful.
The Bonds we have in mind are the

6 per cent. Bonds of the Trinidad Consolidated Telephones

The cost of operating and maintaining a telephone business in
Trinidad is materially less than in northern countries, where such
companies suffer severely from sleet and other storms.

We offer a block of these Bonds in denominations of \$100 and \$500
at 100 and accrued interest, yielding a full 6 per cent. on the money
invested. The interest coupons will be cashed at par at any of our offices.
