Mercantile Summary.

SOME difficulty has arisen between the Customs authorities here and an importing house in reference to a lot of 500 kegs of powder.

A TELEGRAM from Hong Kong, dated 29th of November, gives the total exports of Tea from China and Japan up to that date as 121,750,000 lbs., against about 99,000,000 lbs., and 112,000,000 lbs., about the same period in 1870 and 1869.

A MONTREAL journal calls attention to the fact that promissory notes under \$25 in amount do not require to be stamped, the wording of the Act, 31 Vic., Cap. 9, being that every promissory note, draft, or bill of exchange, "for an amount not less than twenty-five dollars," shall be stamped.

A MR. W. J. CAMPBELL, who has been carrying on a tannery at Port Elgin and a boot and shoe business at Paisley, has got into difficulties, but whether owing to the depression that seems to have existed in the boot and shoe trade recently, or to incapacity on his part, we are not definitely informed. One thing, however, seems certain—that creditors are likely to be considerable losers.
