**Exhaustion**  
**Rumford's Acid Phosphate**

The phosphates of the system are consumed with every effort, and exhaustion usually indicates a lack of supply. The Acid Phosphate supplies the phosphates, thereby relieving exhaustion, and increasing the capacity for labour. Pleasant to the taste.

Dr. A. N. KROUT, Van Wert, O., says  
"Decidedly beneficial in nervous exhaustion."

Dr. S. T. NEWMAN, St. Louis, Mo., says:  
"A remedy of great service in many forms of exhaustion."

Descriptive pamphlet free.

**A REMARKABLE STORY**

Already famous in Europe, entitled "Four Days," from the Russian of Garshin appears in the double summer number of POET-LORE—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of Alexander Kielland. The same number of POET-LORE contains a hitherto unpublished letter of John Ruskin's on "Wages"; and critical papers on "Two Versions of the Wandering Jew," by Prof. R. G. Moulton; "The Text of Shakespeare," by Dr. Horace Howard Furness; "An Inductive Study of 'As You Like It,'" by C. A. Wurtzburg; and a "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study of Literature.

A COMPLETE PLAY—"Harold," by the distinguished German dramatist, Ernst von Wildenbruch, will be given, translated into English verse, with the author's sanction, in the second double number of POET-LORE—Sept. 15th. This drama is on an English theme, is full of action, and is a marked success for German stage (copyright applied for). A portrait of the author, and a critical and biographical account of him, will also be given.

Yearly Subscription, - \$2 50  
Double Numbers, each - 0 50
