

ANNEX "B"

RESPONSIBILITIES OF THE GOVERNMENT OF BURKINA FASO

- I Unless otherwise indicated in subsidiary arrangements, Burkina shall provide and defray the services and expenses mentioned below:
1. an accommodation allowance of 35,000 F CFA a month, to be paid on 31 March, 30 June, 30 September and 31 December each year to the Canadian Cooperation Centre in Burkina for each member of the Canadian personnel, from the time of his/her arrival in Burkina to the end of his/her assignment;
 2. furnished premises and office services in keeping with the standards of Burkina, including among other things: adequate facilities and materials, support staff, mail and any other services which the Canadian personnel would need in order to carry out their duties;
 3. the granting, free of charge, of entry, residence and exit visas for Canadian personnel and their dependants;
 4. the recruitment and assignment of counterparts when required for the projects;
 5. all assistance to facilitate the travel of Canadian personnel in the performance of their duties within the territory of Burkina;
 6. all assistance to expedite the clearance through customs of equipment, products, materials and other goods required for the execution of the projects, and the personal and household effects of Canadian personnel and their dependants;
 7. the storage of the articles mentioned in paragraph 6 during the entire period when such articles are held at customs and any measures required to protect these articles from natural elements, theft, fire and any other hazard;
 8. the prompt transportation of all equipment, products, materials and other imported goods required for project execution, from the point of entry in Burkina to the project site, including, where necessary, the obtaining of priority status by Burkina forwarding agents and carriers;
 9. permission to use all means of communication, such as high-frequency radio receivers and transmitters approved to use in Burkina, and telephone systems, depending on program and project requirements;
