

- b) Are there any government financial support programs for co-productions? What are they?

None

- c) Are there any restrictions on importing foreign language television programs to this territory/country?

Importation of foreign TV programs should be approved by the Ministry of Culture and Information. However, the Korean Broadcasting Commission determines whether the program can be broadcasted or not after reviewing.

- d) How many television programs were imported last year from each of the following. (Alternatively, how many hours of programs were imported.)

	<u># Programs</u>	<u># Hours</u>	<u>Number of Mot.Pics.</u>	<u>Series/Speci</u>
