

November 7th 1919.

Dr. Lucien Poincare',
Vice-Rector University of Paris,
Paris, France.

Dear Sir:-

On behalf of McGill University I desire to acknowledge receipt of your letter of July 29th 1919, and also of the Medal to which you refer in this communication.

We are deeply touched by the sentiments expressed in this letter, and the Medal is, I can assure you, a gift which is very highly prized by McGill University and which will ever be treasured as a tribute from the great Mother University of Paris to McGill as a recognition of the sacrifices which we have made towards the winning of the Great War.

The Medal has been placed in the Redpath Museum of McGill, and I am enclosing an extract from one of the Daily papers of the City of Montreal in which a public announcement of this gift is made.

Again expressing the deep thanks and gratitude of McGill University to the University of Paris,

I remain, dear Sir,

Yours very sincerely,

FDA/MC.

Acting Principal.
