

perpetuated through the agency of such men to the end of time.

The meaning of the removal of such workmen from the harvest field at such a time as this is beyond our ken, when, instead of one removal a regiment of them seems to be needed for fields white for the harvest, and the world one as it never was before by the power of steam and electricity, as well as the power of Christian civilization in the strongest nations on earth. Yea, and when there are calls on Moody's desk from Europe and America that would require months, if not years, to fill if he were here to do it.

Why? God only knows.
