WINNIPEG GOLFERS AND THEIR COURSES

The Prairie City Possesses Three Courses of Unusual Quality—Difficulties Being Overcome.

Winnipeg has taken rapid strides in the golfing world in the last year or so and they are now the possessors of three fine courses. The only drawback that they have been unable to overcome as yet is the transportation question. The suburban railways do not extend their lines far enough and the roads at places in the springtime have been practically impassable. A determined effort is being made, however, to have this remedied as soon as possible, and within a year everything should be in good shape.

The St. Charles Country Club, the premier golf club, is situated eight miles from the city and a street car service communicates directly with the course. An asphalt road has been laid to within two miles of the club house, and will be completed this year, and motoring will be possible at all seasons then. A series of fires have been a heavy drawback to this club, and in October, 1912, the burnt down, and in October, 1912, the new club house, built at a cost of \$140,

000, was also destroyed by fire, after only five months use. The course is only fair, as the soil is practically of a "gumbo" variety, and bakes easily under the heat of the sun's rays. The golfing is very interesting, however, as one has to be perfectly straight to escape punishment. Trees border the links at nearly every hole.

The Winnipeg Golf Club play at present on their links at Norwood, but next spring will move to their new course at Bird's Hill. The new course is reported to rival any in Canada, and the soil is a rich sandy one, which in a year or so should support some excellent turf. The club house is located on a hill which provides a wonderful view of the surrounding country.

The Winnipeg Golf Club officers have been elected for the year as follows: President, H. D. Patterson; vice-president, Dr. R. B. Swan; secretary-treasurer, Harold Keane; grounds committee, H. D. Patterson, T. E. Middlemiss, Geo. Wilson, and B. G. Baker; match committee, Harold Keane, C. A. Richardson, Crawford Gordon and C. H. Allen; house committee, Dr. R. B. Swan, D. R. Pinkelstein, B. G. Baker.

The Pine Ridge Club is situated about a mile and a half to the west of the Winnipeg course on the same hill, but as it was only laid out last fall by Tom Bendelov of Chicago it will hardly be ready for playing for at least a couple of years.

Both of the latter clubs are situated over two miles from the city, and the roads are very bad that lead to them.

TEN POINT WINS THE HANDICAP

Frederick L., the Favorite, Runs in Third in Havre de Grace Feature—Some Long Ones.

HAVRE DE GRACE, April 22.—A big crowd saw Ten Point win the Belair Handicap today. Like Ayala, winner of yesterday's feature, the Aste colt had been resting up since last fall. He was well backed, the Frederick L., the Hallenbeck entry, was the favorite, both on form and in the ring. Like yesterday, too, the place money went to horses that were not seriously considered in their races, this being most pronounced in the last race, when Eddie Graney, at 50 to 1, got second money.

Gordon, after nearly a month's retirement, carried off the honors in the two-year-old class, the first event of the day. Bulgar being third. Besides taking the feature, the Aste stable with Phyllis Antoinette, a 10 to 1 shot, took the second race, beating out Flying Fairy which, with the scratching of Luce, had become the best backed mount for this event. Trade Mark, an odd favorite, led the third race, but Double Five was largely fancied for the last race, which he won handily, outside sharing in the money.

The bidding up of winners in selling events continues, and is attributed to the revival of racing in New York. Sam Louis is the most persistent bidder, and after yesterday's race he forced Hellenbeck to bid up Ayala to \$100, the price of \$1800, at which she had been entered.
