Toronto Rowing Club Retain Amateur Status

Senior O.H.A. Teams Play Tonight in Arena Three Races Decided Last Day at Dufferin

CASE AGAINST T. R. C. FAILS

Oarsmen's Hockey Club Retain Amateur Standing-O. H. A. Rulings.

Past President Wettiaufer of Berlin occupied the chair at the meeting of the Ontario Hockey Association executive last pight in the absence of President Farquharson. Messrs. Turner and Glover were the only other members who were unable to be present.

The Sarnia club asked for a reconsideration of the cases of the players who had been refused certificates, but the committee saw no reason for any alteration of its action.

Hamilton Centennials will be informed that while the removal of "Mawk" Maekenzie to that city was undoubtedly a bona-fide change of residence in which hockey was in no way concerned, it is contrary to its policy to issue permits, even in deserving cases. It was an incidental hardship which occurs in the operation of a general rule.

L. A. Avery of the Toronto Riversides will be informed that he has not lost his residence qualification here.

Drumbo and New Hamburg are claiming a couple of players who live in Plattsville. The subcommittee will endeavor to ascertain which has the correct geographical claim.

The conclusion of the enquiry into the

which has the correct geographical claim.

The conclusion of the enquiry into the Toronto Rowing Club was reached after frequent and long sessions, and the reception of a great amount of oral testimony and statutory declarations. The committee had the legal assistance in the enquiry of Mr. A. H. Beaton, a former secretary, while Mr. Richard Greer looked after the Rowing Club's side. The testimony was of the most contradictory character, and the cast, at first apparently one of the simplest; turned out to be one of the most difficult the committee have had to deal with. The decision was that the charges against Messrs. Walsh and Shortt of offering monetary inducements to players had not been proven. not been proven.

Saturday will see the first local doubleheader in the O.H.A. staged. Varsity inniors will play Aurora as a preliminary to the Kingston-Frontenac-Varsity senior game. Jim Sutherland's outfit have been making a name for themselves in exhibition contests and should make the students hustle to capture the senior fixture. Varsity have recently returned from their annual jaunt across the border and will not be handicapped by lack of condition.

The juniors have a host of material and a rattling good team will be sent against Aurora. It promises to be an interesting afternoon for the fans.

The Older Boys Hockey Club of the Central Y.M.C.A. was organized last hight with the following officers:
Honorary president—J. P. Hagerman.
President—T. Armour.
Secretary—C. Conk.
Captain—E. Artandale.

Captain—E. Artandale.

The following players are asked to turn out to practice Monday night: Armour, Welsh, Delaurier, Carter, Davidson, Weir, Artandale, Snow, Lloyd, and any other member of the Y.

Jimmy Murphy had the wires hot trying to land two forwards who have
speed and the back checking ability.
The Ontario manager figures that with
the addition of the two right men
he will be in the hunt all the way. Don't be surprised to see two new men on the job against the N.H.A. cham-pions in the Ancient City on Saturday

The Ottawa pros. have found their feet and are fairly making the fur fly in the N.H.A. ranks. They gave the speedy Canadiens a tidy besting in Ottawa on Wednesday night and it now remains for the Torontos to stop them. The Capital City six play the Blue Shirts here on Saturday night and with the Torontos going at a great gait they will not find it so easy. The Torontos should be them with something to Spare.

New York, hockey fans are clamoring for a reduction in prices. At St. Nicho-las Rink it is \$1 to \$2, and the speculators sometimes make patrons pay half a dollar more a seat.

The practice hours at the Arena today

12.00 to 1.00—Parkdale Canoe Club. 1.00 to 2.00—Varsity juniors. 4.00 to 5.00—Upper Canada College. 5.00 to 5.30-St. Andrews.

Ottawn Citizen: Joe Dennison, the former Ottawa Hockey Club player, who was sold early in the fall to the Ontarios, but who refused to report, received another letter from Manager Jimmy Murphy yesterday asking him to go to Toronto at once. Joe, however, says that he has no intention of doing this, as Murphy's club refused to send him transportation.

The O.H.A. junior game scheduled for last night between Cobourg and Port Hope was postponed on account of no ice.

Ottawa Citizen: The attendance re-cord may get another bump next Wednes-day when Fred Lake and his Ontarios come to town. Who won't wish to go and see Lake, Lowery and Herbert in

Ottawa College are trying to arrange a game with Princeton University in the Capital City for early in February.

THE MAN WHO WROTE THE MIDLAND LETTERS If The Globe named the wrong culprit who wrote the letters sent around concerning the amateur status of Midland players we can put him right. It was the self same correspondent who penned the Midland notes and also the anonymous stuff a few weeks ago, concerning the standing of the Parkdale Canoe Club that local newspaper dupes stood for.

ST. MIQUES PLAY **OSGOODE TONIGHT**

Clean, Close and Fast O.H.A. Senior Game Expected at Arena.

St. Michaels had a light workout in the Arena last night and with their hard practice of Wednesday and a game on Tuesday the players are in the best condition for tonight's game against Osgoode Hall. Richardson will be unable to play for a week owing to a hand bruise. Jimmy Dissette has a sore arm, but will be in the lineup.

No matter how numerous or serious the injuries seven men will start and not a player will leave the ice unless he is legitimately hurt. This was the statement of Fanrk Dissette yesterday, as an effort must be made to relieve amateur hockey of the black eye it received lately due to sharp tricks.

Chartrand and Chapman are showing up well in their work with St. Mikes and would be ready to start a game any day required.

Osgoode Hall have a host of men registered. They have worked patiently and the players are in the best of condition for tonight. A fast, clean and close game is assured.

St. Michael's team for tonight: Goal, Thompson or Addison; defence, Murphy and Dissette; rover, Rankin; centre, Laflamme; right, McCamus; left, Matthews.
