Huerta Refuses to Salute

CONGRESS MEETS IN SPECIAL SESSION AT NOON U.S. MAY START WAR TODAY Mexican Government Refuses Unconditional Salute of United States Flag.

DEMAND FOR SIGNED PROTOCOL BROUGHT END TO NEGOTIATIONS

Huerta Only Willing to Accede to Proposals of United States Provided Agreement Was Put in Writing— Call for Men and Money to Be Made by Wilson.

WASHINGTON, April 20.—The breach that finally has come with Mexico will make it impossible, it was declared tonight on high authority, for the United States to further protect foreigners in that republic, and foreign governments have been notified of the situation in this regard.

The president tomorrow will probably ask that the senate pass the Volunteer Act which already has passed the house, providing for passing into regular service the militia regiments in the various states.

In preparation for the crisis that must be met, Senator Shively, chairman of the senate foreign relations committee, and Representative Flood, chairman of the house foreign affairs committee, called meetings for these committees tomorrow.

The Canadian Northern Situation at Ottawa

OTTAWA, April 19.—The return of Premier Borden to his office on Tuesday from a short rest in the south will see the shape-up of the business for the balance of the session and the closing of some kind of an agreement between the government and the Canadian Northern by which the Dominion is to guarantee forty-five millions of the bonds of the company.

It is asserted by the company that it will take one hundred millions to complete and equip the road (of over ten thousand miles), and Sir William Mackenzie believes that he will be able to raise all this money on bonds of the company, 45 per cent. guaranteed by Canada and fifty-five millions guaranteed by the provinces and already arranged for.

WILSON ON WAY TO WASHINGTON

President Refused to Discuss Mexican Situation Before Leaving West Virginian Resort.

WHITE SULPHUR SPRINGS, W. Va., April 19.—President Wilson detached himself completely from the Mexican crisis today, diverting his mind from worry over what Huerta's answer might be to the ultimatum, by a quiet day in the company of Mrs. Wilson and their two daughters.

At 10 p.m. this announcement was made from President Wilson's rooms at the hotel: "The president will have nothing to say on Mexico tonight."

This followed the receipt of long messages from Washington. The president stayed in his room, and it is believed he occupied himself in preparing an address to be delivered in person before a joint session of congress.

DID MAN DROWN WHEN CANOE UPSET?

Steamboat Men Say They Saw a Man Sink in the Bay After Another Had Tried to Rescue Him, But Police Are Inclined to Discredit the Story.

Altho the police discredit the story, there seems to be no doubt that a man lost his life in the bay on Wednesday of last week, as the result of his canoe upsetting. The rumor that a drowning had occurred reached the police, and after making a few inquiries they abandoned the clue, stating that the persons who claim that a drowning had taken place, were suffering from a hallucination.

On Wednesday morning at about 9 o'clock, when a fresh breeze was ruffling the water of the bay, a deckhand

INTENSE ANXIETY DISPLAYED AT WASHINGTON

Bryan Kept Wilson Posted on Mexican Situation Thruout Sunday Over Telephone— Battleship and Torpedo Flotilla Ordered to Join Movement to Tampico.

WASHINGTON, April 19.—Thruout the day the Mexican crisis occupied the absorbing attention of officials, dispelling the usual calm of a beautiful midday Sunday. President Wilson arrived at White Sulphur Springs, W. Va., early in the day, after a night ride from Washington, and there joined Mrs. Wilson.

Secretary Bryan remained up practically all night, awaiting some definite word from Mexico City. He was at the state department until after midnight, and on going home continued telephoning to those in the cipher room at the state department until 4 o'clock this morning.

Shortly after 9 o'clock Mr. Bryan had received two messages from Mexico City. Both were from Charge O'Shaughnessy. The first was merely formal, stating that the message of President Wilson, giving Huerta until 6 o'clock tonight to yield, had been communicated to Portillo y Rojas, the minister for foreign affairs, and that a reply would follow.

THROWN UNDER TRAIN WHEELS

Gordon Greenslade Instantly Killed While Attempting to Board Moving Freight Near Cobourg Station.

While attempting to board a moving freight train at Cobourg Saturday afternoon, Gordon K. Greenslade was thrown under the wheels and instantly killed. A letter addressed to him at 95 Homewood avenue, Toronto, was the means by which he was identified. The body was removed to McArthur's Undertaking Room, pending instructions from his friends.

Greenslade was about 22 years of age, and since Christmas had been boarding at the home of William J. Rogers, 95 Homewood avenue. Enquiry at this address revealed the fact that his father resided in Louisville, Ky., where he is employed by the Ivanhoe Sugar Co. It was also learned that the dead man had a brother a lance corporal in a British regiment stationed at Lucknow, India.

Mr. Greenslade had taken a room at the above address last winter, and since that time he had been unemployed, having lost his position with a tobacco firm in Montreal, by whom he was employed as a traveler. On Saturday he and a chum, Mr. Gilray, had left Toronto with the stated intention of going to London, where they hoped to secure employment, but evidently changed their minds about this trip.

HUERTA MAKES FINAL REFUSAL TO ACCEDE TO DEMANDS OF U.S.

War Cannot Now Be Averted—Mexican Government's Flat Declaration That No Further Concession is Consistent With National Dignity Has Brought End to Negotiations—Congress Will Today Pass Resolutions Constituting a Virtual Declaration of War—Program of Refusal Must Be Carried Out, Says Washington Administration.

MEXICO CITY, April 19.—The Mexican foreign minister, Senor Portillo y Rojas, announced tonight that it would be impossible to agree to the demand of the United States that the flag of that country be unconditionally saluted, because that flag was not insured, because it was not flying from the launch, and because the marines were set free even before an investigation, and the officer responsible for the arrests was himself arrested and held for trial.

NOT COMPATIBLE WITH DIGNITY

The United States Government, Senor Portillo declared, had refused permission to Charge O'Shaughnessy to sign such a protocol, and demanded an unconditional salute by Mexico, which Mexico felt was incompatible with her dignity.

UNCONDITIONAL SALUTE BELOW DIGNITY OF MEXICAN PEOPLE

WASHINGTON, April 19.—Gen. Victoriano Huerta, provisional president of Mexico, flatly refused tonight to accede to the unconditional demands of the United States that he salute the American flag and congress will be asked by President Wilson tomorrow for authority to use armed forces to uphold the honor and dignity of the nation.

NO OFFICIAL DECLARATION OF WAR BUT REPRISAL WILL BE CARRIED OUT

President Wilson at midnight was on his way to Washington from White Sulphur Springs preparing to read a message to congress in joint session as early as it can be arranged tomorrow. In the meantime American war fleets were moving down both coasts on their way to Mexican waters to carry out the president's plan for reprisals.

WASHINGTON AROUSED TO PATRIOTIC FERVOR

Streets Thronged Last Night and Some Demonstrations Inspired by Music.

WAR DECLARATION MAY BE ISSUED BY CONGRESS

St. Louis, April 19.—News from Mexico was awaited by the people of the capital with the keenest interest. All thru the evening the streets were thronged, and crowds gathered in front of the newspaper offices. In the hotel lobbies the crisis was the one topic of conversation and some of the crowds, inspired by the playing of the "Star Spangled Banner" and "America," engaged in patriotic demonstrations.

NO NEGOTIATIONS NOW POSSIBLE

WASHINGTON, April 19.—Secretary Tumulty announced just before 11 o'clock that President Wilson had instructed him over the long distance telephone to call a special meeting of the cabinet for 10.30 o'clock in the morning.

Mr. Tumulty also announced that the president was preparing to deliver a special message to congress tomorrow, and that a joint session would be held at the earliest hour the congressional leaders could arrange for it, probably 3 o'clock.

INTERVENTION IS ONLY COURSE NOW OPEN

Bryan and Colleagues at Work on Statement to Be Presented to Congress Today—Will Show World That United States "Means Business."

WASHINGTON, April 19.—Secretary Bryan, in conference with Secretary Daniels, Secretary Tumulty and Boaz Long, chief of the Latin-American bureau of the state department, prepared tonight to issue a statement outlining the outcome of the negotiations and explaining the position of the United States. About 11.30 o'clock Senator Shively, acting chairman of the senate foreign relations committee, reached the White House and joined the conference.

WAR DECLARATION MAY BE ISSUED BY CONGRESS

WASHINGTON, April 19.—Majority Leader Underwood will undoubtedly offer a joint resolution in the house when it meets at noon today, providing for a joint session of congress within an hour. The joint session will hear what the president has to advise on the Mexican situation, and probably before the president returns to the White House a resolution will have been offered in each house in separate session. The chairman of the foreign affairs and foreign relations committee will offer the resolutions, which will immediately be referred to the respective committees. Hurred sessions of the committees will report the resolutions and before adjournment on either side of the capital they will be passed by both houses and laid before the president.

WAR DECLARATION MAY BE ISSUED BY CONGRESS

WASHINGTON, April 19.—Congressional leaders were busy studying precedents for the resolution which will confer plenary war powers on the president. The message probably will follow, to some extent, the April 20, 1898, against Spain. That resolution, after reciting the conditions in Cuba and the destruction of the battleship Maine, recognized the independence of Cuba and called upon Spain to withdraw its forces from the island. The resolution then proceeded "to empower and direct" the president, "to use the entire land and naval forces of the United States and to call into actual service of the United States the militia of the several states to such extent as may be necessary to carry the resolution into effect."
