

the author of "Speaking of Operations," "Eating in  
Two or Three Languages," "Old Judge Priest," etc.

# THE LIFE OF THE PARTY By IRVIN S. COBB

**Y**OU all know him—the merry soul who is "the life of the party"—he is humorous in himself but under the magic touch of Irvin S. Cobb he is the super-humorous man.

The adventures of Algernon Leary, dignified lawyer, as he returns from a Costume Ball in Greenwich Village are thrillingly ludicrous.

*Illustrated by James Preston*
