THAT by an Act of the Provincial Parliament of the Province of Lower Canada, passed in the forty-eighth year of the reign of His late Majesty, King George the Third of glorious memory, intituled "An Act to provide a Permanent Fund for the Improvement of the Inland Navigation of the river Saint Lawrence," the said Parliament of the said province of Lower Canada imposed certain rates or duties payable at Chateauquay on all Scows, Rafts, and Cribs, passing the Rapids between Chateauquay and Montreal, which said rates or duties were intended to be applied to the improvement of the Navigation of the river Saint Lawrence, between Lake Saint Francis and Montreal.
