Cases of Measles Under New Orders Approved and Issued by Government Must Be Placarded - Scarlet Fever Quarantine Now Six Weeks -Smallpox Rules Stringent.

#### ORDERS ON VACCINATION

The new health regulations, which are consequent on the act which was passed during the last session of the provincial legislature, were approved ment vesterday.

The quarantine regulations remain practically as they were, with the ex. ception that cases of measles are to be placarded in future, and the period of quarantine for scarlet fever is now extended to six weeks.

required to possess a complete and the Toronto Police Force annual games fully comprehensive map of the muni-cipality under his control on which he Wednesday. This is the way Inspector must display the exact location of Dickson of No. 1 Police Division looks every individual case of communicable atthe matter.

disease in existence. men immediately smallpox gives evi. pionship from the police there. Added dence of being at all prevalent. If to this there are a number of others of a reasonable time, then the provincial contenders for the championship. appointed by the local authorities if it sees fit.
