President Ritz, of Kitchener Club, Accuses Sarnia of Most Unsportsmanlike Actions in Connection With Western Group.

Special to The Toronto World.
Kitchener, Ont., Jan. 31.—That Manager Brady of the Sarnia Hockey Club refused to play in Kitchener Wednesday unless President Ritz of the Kitchener Club would guarantee that the local aggregation would throw the game to the visitors is the pith of a statement given out here today by E. O. Ritz, M.P. Ritz claims that he offered every inducement to the Sarnia Club to prevent the default, going so far as to offer to stand all of the expenses of the club in connection with the trip to this city. This offer, he claims, was rejected, and he alleges that the stipulation was made by Manager Brady that the only condition under which he would consent to the scheduled game would be a guarantee of victory for his side. President Ritz states that the conversation in which the alleged condition was stipulated was held in Sarnia following the defeat administered by the Kitchener team. The refusal of the request, President Ritz says, was the reason of the Sarnia default here Wednesday night.

PHYLLIS ADMIRAL FAILED THURSDAY

Tramp Quick Captures Feature at Mount Clemens After Four Heats.

Special to The Toronto World.
Mt. Clemens, Mich., Jan. 31.—Phyllis Admiral, picked to win the 215 pace on her showing at Cranwood, was not equal to the occasion, the event going to Tramp Quick after a four-heat battle. In the first heat today, which was the third of the race, Tramp Quick was first, but in the next heat was seventh, the driver complaining of a lost shoe. To make sure that there would be nothing amiss in the next heat, the judges ordered Fleming to drive, and the result was a victory. But one other event was finished, King Canuck making the 219 pace a three-heat affair.

Tango Boy and Billy W. each won a heat in the 224 pace, and Kerolla surprised the talent by winning two heats in the 224 trot, when darkness intervened. The summary:

Tramp Quick, b.h., by Tramp Harry G., b.m. (Fleming) 1 1 7 1
