## LOCAL OPTION QUASHED BUT TOWN WILL STAY DRY

Pending Appeal of Owen Sound Commissioner Harris Will Exercise Against Judgment, No Licenses

The local option vote in Owen Sound

the knockout in granting the appli- The works committee had favored a cation of W. H. Sinclain of Owen 105 foot street. Controller Hubbard Sound on the ground of lobbying and moved that the report be amended so other irregularities. The costs are to as to reduce the width of the street to

the local option carried by 1238 against The council will deal with the matter on Monday. acts must be taken cognizance of.
The town clerk had contended that bylaw passed in 1898 had abolished the ward system, and prevented rate-payers voting in each ward in which they held property. With this the judge disagrees. There were 316 votes against the measure, which were thus thrown out which should have been against the measure, which were thus thrown out which should have been counted, while 100 voted for the bylaw who should not have voted. The majority is thus reduced to 60.

jority is thus reduced to 60.

The proclamation issued by the town clerk stated that the voters must poll in the sub-divisions in which they statutory penalty for voting more than

'The clerk," the judgment continues, "had no authority to give this kind of notice. He was a friend of the by-

The judge also states that very leading to the irresistible conclusion that officials were selected without

Practically a threat of prosecution was held over the heads of the voters,

said the judgment.
Officials in charge of the voting are also scored for gross negligence.

Mayor Joyce, Owen Sound, wired the license department yesterday that the local option bylaw had been quashed and requested that no licenses be issued in the town pending the result of an appeal against the decision The department telegraphed the chair-man of the commissioners of North Grey saying that no licenses are to be issued until the appeal is disposed

Judgment-The James St. Extension.

There was another discussion upon the proposed extension of James-street Judge Mabee yesterday administered before the board of control yesterday. 66 feet. He was supported by Con-Judge Mabee declares that the ir- trollers Jones and Ward, while the regularities plainly existed, and the mayor and Controller Shaw opposed it.

> This morning the controllers will talk again of the commissionership of in-dustries and publicity. It is said that Fred Dane would not take it at the salary offered. A new name mentioned is that of Joseph E. Thompson of the treasurer's department. Mayor

The smoke nuisance was broached at the meeting of the property committee yesterday afternoon by Ald, Church, who wanted more than one inspector. ly returned from a smoke convention, told how much it depended upon the firemen to abate the nuisance, and the different ways of consuming smoke. Ald, Church wanted the bylaw enforced after Sept. 15, but Ald. McMurrich and many omissions and irregularities appeared in connection with the vote, peared in connection with the vote, of the commissioner, and this was carried after the matter had taken up a lot more time and the commissioner "It appears that some at least who had no votes not only voted, but were very energetic supporting the law," says the judge.

Practice!"

Iot more time and the commissioner had told how easy it would be for him to have people summoned while they were experimenting to get the best device.

City Messenger McIntyre got his new corse, and it went allright for a while, and then changed its mind. In the and then changed its n stable it developed a kind fancy on the warm days to fan the messenger with its heels, indicating a broncho streak, presumably overlooked by Ald. Dunn when he purchased the animal from a man who likely had taken it out of captivity. As Ald. Dunn explained, the horse is "now earning his daily bread" by working for Dr. Sheard, medical health officer and street commissioner. Commissioner Harris was asked to try and work the horse off on Dr. Sheard permanently. If this can be done, and funds are available, Ald. Sam McBride will buy another animal for the mes-
