WEDDINGS IN OCTOBER.

Manager of Molsons Bank, Knowlton, Que., Takes a Bride From Toronto.

A quiet but pretty wedding was celebrated yesterday afternoon in St. James' Cathedral when Miss Georgina Sidley, adopted daughter of Mr. and Mrs. Follinger of 23 Spadina-road, became the wife of Mr. William Russell Skey, manager of the Molsons Bank at Knowlton, Que. The ceremony, which was performed by Rev. Lawrence Skey, rector of Merriton and brother of the groom, assisted by Rev. G. C. Walls of St. James, was a simple one. The bride was attired in white satin with court train, trimmed with lace, and carried an orange blossom. The maid of honor, Miss Olive Bradshaw, wore white silk, with mosseline de soie, and a black picture hat with white feathers. Miss Mary James of Hamilton, who was flower girl, wore a costume of pure white. Rev. H. D. Williams of Buffalo assisted the groom. A reception was tendered the newly-married couple after the ceremony.

Meadows-Harding.

In St. Margaret's Church, Rev. R. J. Moore united in marriage Mr. Harry B. Meadows and Miss Nellie Harding, daughter of Mr. R. B. Harding of 363 West Adelaide-street. The bride was attended by Miss Annie Harding, while Mr. George K. Clemens was best man. A reception was held at the home of the bride's parents, after the ceremony, which was attended by a large number of friends.

Langmuir-Wallbridge.

The wedding took place in St. John's Episcopal Church, Los Angeles, Cal., on October 10, of Mr. Murray Langmuir, son of Mr. J. W. Langmuir of Toronto, and Miss Wallbridge of Toledo, Ohio. The groom is well known in the city.

BEWARE OF TYPHOID FEVER.

By The Doctor.

People who return to the city after their summer outings are nearly always well fortified for the severities of a Canadian winter and pay very little regard to their own good health because they don't have to. Unfortunately there is another class who may have been indolent for a certain period of the last two months, but only in spasms. Maybe there has been a convulsive visit to the Island or Munro Park, with an occasional variation to High Park, as has been the case with the writer, and there the vacation business they don't have to do who has had to stand the hot weather in the city, a rather critical time is in store for them. To those who have become run down from summer complaint, the sudden change to colder weather means that the internal organs, which have been weakened by inflammation, will refuse to act. Consequently a tendency to result, and typhoid fever a possibility. A gentle cathartic-Hutch is the best means necessary to give the bowels a rest just so until the body becomes accustomed to the different temperatures. Typhoid fever is always prevalent in the autumn and its cause is generally ascribed to foul water. Foul water nothing more or less than water which has been contaminated by the fecal matter of some of them. Therefore heed the warning of one who knows. Take Hutch and have your body stored with vitality, glorious roddy blood and vigorous Canadian energy. For the time is at hand when the proposition of the coal man has to be seriously considered, and you have to commence negotiations with your Uncle Abraham for your fuel-ordered overcoat.

A Veteran Merchant Dead.

In the death of Alexander McRoberts, which occurred on Tuesday night at his late residence, 92 St. George-street, one of the veteran merchants of Canada has been removed. Deceased, while visiting in New York about a year ago, had his thigh dislocated in an accident. This resulted in internal troubles, which eventually caused his death.

When a young man came to Canada from Scotland. For several years he was engaged in the lumber and mercantile business with his uncle in Troy Village, county of Wentworth. From there he went to St. George and then to Bay City, Michigan, where he carried on an extensive lumber business. Mr. McRoberts came to Toronto 12 years ago and had resided here ever since. He was 69 years of age. The remains will be taken to St. George, Ont., for burial to-morrow.

All to His Children.

The will of the late Edward Campbell was admitted to probate yesterday. The estate is made up of property in East Oxford worth \$2000, and a lot in Brantford worth \$200. There is, besides this, \$100 in household goods, \$50 in debts and notes, \$200 in stocks and \$400 in cash. The household effects were willed to the two daughters and any time within five years the residue is to be sold and the proceeds divided equally between his four children.

One of the greatest blessings to parents is Mother Graves' Worm Extirpator. It effectually dispels worms and gives health in marvelous manner to the little ones. ed

ONE DAY AT THE CITY HALL.

Rust Wants a Connection Between the Metropolitan Railway and the Canadian Pacific.

WORKS APPROPRIATIONS USED UP.

Assessment Appeals in Ward 4-The Canadian Contingent Send OR-Civic Notes.

The City Engineer, in his fortnightly report to the Board of Works, asks to be allowed to exercise his own judgment in sending out postcards to taxpayers previous to recommending new pavements. His reason for asking is that property-owners frequently wait on his department, requesting that a certain class of roadway or pavement be recommended. In some cases it is found that a roadway is in such a dangerous condition that it is absolutely necessary that a new pavement be constructed; and, owing to local conditions and other circumstances, it is advisable in the public interest that a first-class pavement be constructed, whereas, if postcards were sent out to the property-owners concerned, they might unwisely express a preference for a cheap cinder block pavement, which, under the circumstances, it would not be advisable to recommend.

Coater With the Company.

Referring to the complaint made to him regarding the blocking of York-street by the cars and freight of the Metropolitan Railway Company, he thinks it advisable to send a sub-committee to confer with the company, with a view to arranging upon what terms they can make connection of their system with that of the C.P.R. If such a connection were made, he adds, it would remedy the existing state of affairs.

Is Short of Money.

The following amounts are requested to be provided for by Council, as the appropriations are now exhausted: Roadways, \$4000; sidewalks, \$2000; sewers, \$11,000; street watering, \$5000; street cleaning, \$1300; bridges, \$800.

In His Report on the Cattle Byres Road.

Mr. Rust says he had a consultation with the City Solicitor, who gave as his opinion that nothing could be done until legislation is procured. He adds that a new road is necessary, and it would cost about \$2000.

More New Pavements.

The following pavements are recommended: Asphalt-Lowther-avenue, from Water-road to Spadina-road, estimated cost \$240,000; York-street, from Huron-street to Bernard-avenue, estimated cost \$10,300; city square, O'Brien-avenue, from Huron-street, west side, to Bloor-street, estimated cost \$10,300; Bloor-street, south side, from Huron-street, east side, to York-street, both sides, estimated cost \$10,300; York-street, from Huron-street, east side, to Bloor-street, both sides, estimated cost \$10,300; Bloor-street, from York-street, east side, to Spadina-road, both sides, estimated cost \$10,300.

To Clean the Reservoir.

With reference to the cleaning out of the reservoir, Mr. Rust says that this should be done each year, to keep down the growth of weeds and also to prevent the accumulation of small fish, which are drawn into the pipes, and from there into the service pipes, which they frequently obstruct. The committee will recollect that serious complaints were received last year from the north end of the city of the large number of small fish that frequently blocked the pipes, also that the Medical Officer recommended cleaning the reservoir to keep the water in a state of purity. It is suggested that the City Treasurer be instructed to provide the sum of \$500 for this purpose.

Exhibition Park Water Lots.

The Ontario Government forwarded to the City Solicitor yesterday the lease of the water lots in front of Exhibition Park. The city is now enabled to commence the long-contemplated improvements.

A Request to Council.

The Bell Telephone Company have asked Council to give them permission to erect poles on the following streets: Liberty-street, Fraser-avenue to the roadway and Gladstone-avenue to Van Horne; Cowan-avenue, King to Queen; Dovercourt-road, Queen to College; O'Brien-avenue, Queen to Maple Grove; Spencer-avenue, King to Huxley; Beaconfield-avenue, Crawford-street to Bloor; and Madison-avenue, from Bloor to Dupont; Charles-street, from Jarvis to Bloor; Queen to Cameron-place; Cameron-place, Parliament-street, Wilton-avenue to Oak-street; St. Joseph-street, St. Michael's-lane to Queen's Park; Bellair-street, Bloor to Yorkville-avenue; Heath-street, Yonge to Avenue-road; Summerhill-avenue, Yonge to Reservoir Park. The poles on Cowan, Madison and Summerhill-avenues and Dovercourt-road are to replace old ones.

Assessment Appeals.

The Court of Revision heard appeals against the assessments in Ward 4 yesterday, and made the following reductions: John A. Worrell, barrister, income reduced from \$120 to \$80; his home occupied by McDonough, 274 Spadina-avenue, reduced \$400, and land \$5 per foot; 276 Spadina-avenue, from \$65 to \$60 per foot; Robert Bell, 156, 158, 159-Street, from \$80 to \$65 per foot; W. G. McKeen, 401 Spadina-avenue, reduced by \$2 per foot; Dr. Campbell Meyers, income reduced from \$150 to \$85 per foot; D. J. Deford, Clarence-square, reduced, land \$10 per foot, and building \$200; W. W. Ogden, income reduced from \$1600 to \$1200.

Notes.

The Minister of Public Works wrote to the City Engineer yesterday, saying that the Government had not set aside any money for the paving of a lane south of Front-street, but promised that \$2000 should be granted next year. The Mayor, Rev. J. P. Lewis and Mr. J. S. Willison will meet in His Worship's office on Friday morning and nominate a permanent committee to complete the arrangements for the farewell to be given to the Toronto soldiers for South Africa. The Board of Works will meet on Friday afternoon at 3 o'clock. Aid. Spencer returned yesterday from Utica, N.Y., where he went to deliver an address on municipal affairs to the Chamber of Commerce.

Judgment for Plaintiff.

Charles F. Rees brought action in the County Court yesterday afternoon against Wilfrid Jones and W. L. Mitchell, trading under the firm name of Jones & Mitchell, who are proprietors of "Wilson's defoliant," supplied the defendants at St. John, N.B., with goods worth \$252. Rees 50 per cent. discount. Jones & Mitchell did not defend the suit and judgment was given in favor of Rees for \$265.25.

Emman and Williams Remanded.

Judge McDonald yesterday and ordered to be tried by a jury on a charge of picking pockets at the Michigan Fair on Oct. 6. He was remanded for trial at the Criminal Assizes. The case of Herbert Williams, charged with breaking into the Buttonville school-house was adjourned till Wednesday next.

To Woodbridge Fair To-Day.

Two special trains will leave the Union Station for Woodbridge Fair to-day, one going at 10.30 a.m. and the other at 12.30 p.m.

25 CENTS DRUGGISTS HAMMOND-HALL'S ENGLISH TEETHING SYRUP

is preferred by mothers because it is perfectly harmless to the most delicate infant. Not a store of the world is without it. It is a baby through the entire period of teething in comparative comfort. Cures colic in ten minutes. Prevents indigestion, cures sour stomach, and is widely recommended for cholera infantum. Used exclusively in the children's Hospital of London, Berlin, Paris and other centres of Europe. London, London, London, New York, Toronto

THE TORONTO WORLD

A SNEEZE!

A COUGH!

A GOLD!

A CURE—is found in Elective Pneumo Broncho

—which cures a cold in three hours.

I was sick in bed and suffering from la grippe, was advised by a friend to try Elective Pneumo Broncho. After using the third tablet I felt decidedly better and was able to go to work the following day. There is nothing to equal the Elective Pneumo Broncho Tablets to prevent, to break up or cure a cold and a grippé. Yours truly, LIZZIE RICKETTS, 108 Bond-St., Toronto.
