Over One Hundred Couples Danced at the Annual Social Event of the Village.

NUMBER OF GUESTS FROM TORONTO

People Were Present From Many Towns and Villages, Far and Near.

Markham, Feb. 23 .- One of the most leasing and fashionable social functions ever held in this village was that of the ham in the Town Hall this evening. The chestra sounded the opening fanfare to the Lancers the animated scene was one of sparkling brilliancy, in which dainty pinks,

Better than cod-

liver oil, more palatable and more helpful in every way. It is perfectly agreeable to take, is promptly digested, and assists stomach and bowel action. For

sale by druggists everywhere at 50c. and \$1.00 a bottle. Literature sent on

For twenty years we've been doing business entirely through physicians. We insist

that they are the best judges of what is what in regard to medicine, and sen-

sible people will abide by their intelligence.

Suppose you ask him!

It isn't so much what we say, but what does your doctor say?

BULLER IS BEING OPPOSED.

Contradictory Despatches Come
From the Army Headquarters in Natal.

London, Feb. 24.—A despatch from Chieveley dated Thursday, Feb. 22, to The Dally Chronicle, says:

"At dawn on Tuesday we found that the Boers had vacated all their positions south of the Tugela and were in positions among the high hills, midway between Ladysmith "At dawn on Tuesday we found that the Boers had vacated all their positions south of the Tugela and were in positions among the high hills, midway between Ladysmith and the river and making a determined stand. The Creusot guns were in action. "All the British naval and other heavy guns were brought to bear upon the new positions and we believe that this show of Boer strength was only intended to cover a retreat. Yesterday (Wednesday) the Boers were retiring all day. Gen. Buller continued to harass them, compelling them to give way."

FOURTH ANNUAL REPORT.

mitted to the Shareholders at the Annual General Meeting, held at the Com-offices, 3 Toronto-street, Toronto, on Monday, the nineteenth day of February. satisfactory results.

The net income from premiums, after deducting \$7,514.70 for re-inst
\$64,342.66.

\$64,342.66.

The amount derived as income from investments was \$1,777.71.

Five hundred and eighty-eight claims were paid during the year, amounting, after deducting \$1.815.67 received from re-insuring companies, to \$27,766.60.

The Revenue Account, submitted herewith, after debiting all charges and expenses, shows a balance of \$12.273.99. This has been applied as follows: \$5,000.00 to Contingent Account, \$5000.00 to Reserve, \$1668.00 in payment of Dividend No. 2, \$605.99 unappropriated. The Reserve Fund now stands at \$20,000.00 and the Contingent Fund at \$5000.00.

The Company's paid-up capital is now \$41,700.00

at \$5000.00.

The Company's paid-up capital is now \$41,700.00, and the securities deposited with the Receiver-General at Ottawa amount to \$35,231.80.

The premium income shows an increase of \$25,731.48 over that of 1898.

All of which is respectfully submitted. LARRATT W. SMITH, Pre	sident.
