

The Teachers hold a short prayer meeting each Sabbath after school is dismissed, and business meetings are held from time to time, as occasion requires.

Services have been held by Mr. G. McGregor as follows: Sabbath evening at 7 p. m., Thursday evening at 8 p. m.

We regret having had to part with one of our teachers, Miss Ogilvy, who has labored with us earnestly and faithfully for some nine years. We follow her with our prayers in her new sphere of labor in Honan, China.

Before closing, we tender our sincere thanks to the many friends who have assisted us in our work here.

And as we enter upon another year's work, we pray that our Heavenly Father will bestow upon us a still richer blessing.

A. S. ROSS,

*Secretary.*
