La Grippe Epidemic

La Grippe has Toronto, in fact the whole province, in its clutches again. Every one knows this dreaded disease is the forerunner dreaded disease is the forerunner of pneumonia and consumption, which carry away more people yearly than the Spanish-American war did. A good recipe which acts quickly and is said never fails to cure La Grippe, Colds, Coughs and Lung Trouble is:

One half ounce of Fluid Extract

Licorice; One ounce of Compound Syrup

of White Pine;
One ounce of Glycerine;
One ounce of Tar-Ol.
These ingredients can be procured at any drug store, and by adding three ounces of boiled water you have the mixture in right proportions to take a des-sertspoonful every two or three hours. This mixture is harmless,

The Dr. Sanden Herculex Electric Belt is all you need to make you Strong and Well

No sensible man now uses drugs to build up his strength or to cure his aches and pains. Recent exposures in the leading newspapers and magazines of the effects of patent medicines on the system should be sufficient to warn everyone of the danger. We have read in some cases of where death followed their use; we have read of others in which horrible habits were contracted; and in nearly every case the patient is left in a worse condition than before he started. Drugs are unnatural, and what is unnatural must necessarily be harmful.

Electricity is Nature's Grand Restorative

The most eminent physicians and scientists of the world now agree with me that electricity is the basis of human vitality, and that we cannot feel well and strong unless we have a normal supply of it in our bodies. Electricity is the life of the nerves and of the various organs, and there is no way in which it can be applied that is so comfortable, so convenient and so effective, as through my latest model Herculex Electric Belt. Worn comfortably around the waist at night while you sleep, it directs a soothing, invigorating current through the weakened parts, and the building up process continues gradually but surely until you are restored to your normal condition. Nothing can be more satisfactory than this. unless it is my method of selling my Appliances. Remember, you can make arrangements to get a suitable Belt on trial, absolutely
