SACRIFICE IDEAL OF SALVATION ARMY Self-Denial Campaign Well Inaugurated at King Edward Hotel Banquet. Vicarious self-sacrifice, this was the terse but descriptive way in which Arthur Hewitt described the work of the Salvation Army at last night's banquet, held at the King Edward Hotel, to inaugurate the great self-denial campaign for \$150,000 in Toronto for work, both in Toronto and other parts of the world, for missionary work and for homes for the aged and helpless. Sir Richard Winfrey, who spoke on behalf of the Brotherhood Movement of Britain, paid his tribute to the character and work of the late general and added a distinctly personal touch to his address when he quoted the early days of the general in his home-lands of Lincolnshire. Often, he said, he had dined both the general and his daughter, Olive, she was a real chip of the old block. Arthur Ward, another representative of the Brotherhood Movement, wished the campaign all Godspeed. Many Great Achievements. Commissioner Richards, in his stirring address, pointed with pardonable pride to the many achievements of the Army, dwelling especially upon the work in China, Korea, Tibet, South Africa, India, South seas and all over Canada. In India, he said, the great work had transformed a large of the high court to a fair going from door to door in the villages and thus gaining 3,000 converts. The speaker did not omit Czechoslovakia, his latest of romance and inspiration. Senator Nichols, chairman of the campaign committee, pointed out that the Salvation Army had lifted up the physical and moral well being of the nations as well as that of the individuals. With the Salvation Army, he said, the motto ever was: Service first, and then if need be, the sermon. The greatest wealth in Canada is not in its fields of wheat and fruit, nor in its stock and money, but in its character and integrity as a people, said the speaker. "There would be little of Canada worthy of respect were such institutions as the Army taken from its cities and towns." Captain Laurie created a pleasant diversion with an adaptation from that beautiful song, "Mother Machree," the gathering at the banquet tables was large and representative, representatives being present from the G.W.A., the Kiwanis Club, the Rotary Club, from the T. Eaton, the Robert Simpson and many other large companies and from many other interested organizations. John S. G. Trivett, manager of the C.N.E., was in the chair.

CITY HALL NOTES The city is sending out each month 2,500 cheques, representing instalment of insurance on the lives of Toronto soldiers who fell in the war. Acting Commissioner Black says there are still 250 soldiers' insurance cases pending adjustment, which means a further outlay of \$250,000 if all are granted, and no provision has yet been made for paying this money. A conference called for yesterday afternoon between the harbor commission and the board of control on the question of granting a free site for the Hydro commission's proposed auxiliary steam plant, was without result, because of the fact that there was no quorum of the board of control. Controllers Hamden, Cameron and Gibbons being absent. JAPANESE CAPTURED WORLD SILK TRADE F. Goforth Tells Rotarians of New Styles in Women's Clothes. Some inside information on the manufacturing end of the ladies' waist industry was given by Mr. Frank Goforth, speaking before an audience of 250 Rotarians, at their regular luncheon at the King Edward yesterday. He told his hearers that the Japanese had captured the world's silk business during the war. Canadians, said Mr. Goforth, have distinctive styles, but these are usually modifications of New York or Paris styles. Mere waists without style, said the speaker, are as much a failure here as in the countries where the styles originate. The Rotarian Glee Club provided a few selections, and Mr. Gibson Miller, the newly-elected sergeant-at-arms, house down with a letter of appreciation speech. He was doubtful whether he should thank the club for the new office or protest against being enticed out of the glee department. Messrs. R. J. W. Barker and B. A. Trestrahl gave a burlesque exhibition of mind reading, directing their jokes at well-known members of the club. Improved Service—Algonquin Park. For the spring fisherman and others who desire to visit Algonquin Park during May and June, the Grand Trunk will operate, commencing May 4th, a through standard sleeping car leaving Toronto Tuesdays and Fridays at 7:45 p.m., returning will leave Algonquin Park days, arriving Toronto 7:30 a.m. the following day. HONOR BANK MANAGER. Napanee, Ont., May 14.—Prior to his departure from Napanee, E. G. H. Travers, who has been the local manager of the Royal Bank for the past 14 years, and who has now been appointed to the management of the Walkerville branch of the Royal Bank, was presented with a substantial testimonial from his many friends here.

EXEMPTION GIVEN BALDWIN'S PLANT Private Bills Committee Ratify Agreement With Harbor Board. CIVIL SERVANTS' BONUS Objection Taken to Paying Them for War-Time Work. The private bills committee of the legislature yesterday by a vote of 11 to 9 granted exemption to Baldwin's Limited for the years 1920-21 in accordance with the original agreement made with the company by the Toronto Harbor Commission. Those who opposed the exemption wanted it limited to the present year only. Representatives of the company told the committee that they had come to Canada at the earnest request of the harbor commission and had been absolutely assured the area taken over by them was exempt from taxes for a point of two years after the war. Chairman Baines read a letter from Alderman Singer, urging that permission be refused to the city to exempt a wealthy corporation from taxes for the year 1921 when they had previously asked, before the board of control, for exemption for 1920 only. The latter point was disputed by the company's representative. Calls it Disgrace. At the public accounts committee Col. Cooper (Northwest Toronto) said it was a disgrace the way civil servants were paid for everything extra they did during the war. It was no wonder soldiers were asking for \$2,000 gratuity. An item of \$231,000 for civil servants' bonuses was up for discussion and led to the observation. It appeared that for expenses in connection with certain war work an item appeared in last year's account for \$550,000 unaccompanied by an explanation as to how it was spent. Used For Bonuses. J. R. Jennings read in the auditor's department, was called to show where the money had gone and it was shown that \$231,000 of it had been used as a bonus to civil servants. Distributed by Commission. Mr. Jennings said the money was distributed by Civic Service Commissioner McCutcheon, under authority of Hon. W. D. McPherson, late provincial secretary. The committee decided to subpoena Mr. McCutcheon for its next meeting. "I am not satisfied that money was not misappropriated," said Mr. Hall. "Well, that is for the committee to resolve upon and report their resolution to the house," said the chairman, J. W. Curry. Ask for Grant. Mayor Church and Sir Adam Beck headed a deputation which waited on the government yesterday, asking for a grant of \$10,000 for the Canadian Deep Waterways and Power Association. It was intimated that the grant would be made. Leaves for London to Present Appeal for the Strike Leaders. Winnipeg, Man., May 14.—W. H. Trueman, K. C., one of the defence counsel at the recent strike leaders' trial will leave next Monday for London where he will lay the appeal of the convicted strike leaders before the privy council. Mr. Trueman conferred with Russell at the penitentiary today.

LIKELY TO SELECT JULY FOR ALBERTA PLEBISCITE Edmonton, Alta., May 14.—Whether or not the plebiscite on the separation of Alberta will be held in Alberta on the same date as in Saskatchewan, which is reported from Regina to have been set for October 25, is not yet known in governmental circles here. Some time in the latter half of July is the date preferred at this end of the line, and Premier Stewart, who is on his way east, is expected to recommend this date when discussing the matter at Ottawa.
