This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page shows the binding of the book, and the overall tone is a warm, off-white or light beige.

Edmonton, Sept. 13. — Edmonton objection to the railway freight increases has taken form in a wire Premier Meighen from the board of trade, stating that there is no opposition to reasonable advance necessary to supply additional revenue for roads, but urging a more fair distribution of the increases in the case of western hauls. A reply from H. Arthur Meighen, just to hand, acknowledges the Edmonton board telegram, but states that an appeal along the lines indicated will have to be made to the governor-general's council.
