

may soon have the pleasure of seeing him return again to this city, and to his place in your Board of Directors.

It will afford you pleasure to learn that in view of the great distress occasioned by the present hard times, the City Council, by an unanimous vote, have doubled their annual grant to the House of Industry, thus placing at your disposal, for the benefit of the poor, the handsome sum of £2500.

Assured you will find a detailed statement of the Treasurer's Account, as well as the Report of the Superintendent, which we trust will give entire satisfaction.

All of which is respectfully submitted.

ANSON GREEN, T. C.
