

ANNUAL REPORT

OF THE

Sacred Heart Orphan Asylum,

FOR THE

YEAR ENDING DECEMBER 31, 1893.

“Charity should be preferred to all the riches of the world. It is infinitely more precious than our life ; it was it that induced the Son of God to lead a life of misery and to die on the cross. It is also the virtue which likens us most to this redeeming God.”

—ST. VINCENT DE PAUL.
