

SAFETY FIRST—HEED THE DANGER SIGNAL

If you suffer from constipation, dyspepsia liver troubles; if your eyes are dull, your tongue furred, your mouth bitter, etc., if you are troubled with pimples and boils, beware—these symptoms indicate danger. Use without delay.

More Vigorous Measures
Borden's visit to England has impressed on him the necessity for more vigorous measures. The conscription announcement is the first result and it is expected drastic action with regard to the control of food prices and distribution, with the possible appointment of a food dictator may be the next step. Other measures anticipated include the elimination of the use of food resources for liquor manufacture and the elimination of race track gambling.

RECENT DEATHS

The death of Mrs. Sarah, widow of Angus MacVicar, occurred on Tuesday at her home in Mascarene, Charlotte county. George MacVicar, of Mascarene, is a son. The funeral takes place today from her home.

George A. Shaw.

His many friends and acquaintances will be grieved to hear of the death of George A. Shaw in his sixtieth year. Mr. Shaw had been ill for a long time and had been living up to the time of his death with his cousin, Mrs. E. C. Blizard at 16 Hanover street. He was very well known in the city, and has been for the last six years a city marshal. He was also a prominent member of the Conservative Club. Besides his cousin, Mrs. Blizard, he leaves a brother, Daniel Shaw, of Moncton.

FOR LIEUT.-GOVERNOR WOOD

Interesting allegations were made in Montreal at the hearing of the petition of Brenton A. McNab for a winding up order against the Daily Mail Publishing Company. He asserts that M. E. Nichols, who was the other manager of the paper, had devoted himself to outside business which included efforts to secure shell contracts for a company in which his father, Hon. Josiah Wood, lieutenant-governor of New Brunswick, is interested, and an effort to secure the prolongation of Hon. Mr. Wood's term as lieutenant-governor.

FORTY-FIVE YEARS OLD

Just when a man or woman is nearing the half century mark the discovery is made that nature does not make repairs to health as readily as in younger days. The kidneys for instance once out of order do not right themselves. As a consequence the usual sequel to derangement of the kidneys is acute inflammation, which indicates its presence by pains in the small of the back; Rheumatism in one of its many forms; Lumbago or perhaps inflammation of the bladder; Brick-dust deposits or other kidney and bladder troubles develop.

The man or woman becomes a slave to aches and pains, although relief can be obtained by those willing to take advice or profit by example.

Hundreds have found the remedy for kidney and bladder trouble in GIN PILLS. Some have heard about GIN PILLS from friends who have been cured, others read our newspaper announcements. Some wrote for free samples; others bought from their dealer on our guarantee of money back if not benefited. GIN PILLS too, relieve Constipation and its attendant ills.

You, man or woman of 45 and beyond, you need the help of GIN PILLS to promptly restore your kidneys and remove pain. Surely it is worth a trial. Sold by all druggists and dealers everywhere at 50c. per box, or 6 boxes for \$2.50. If you wish to try a free sample, write to the National Drug and Chemical Company of Canada, Limited, Toronto.
