

3. The Treasurer's books have been audited and found correct, and an abstract of the Receipts and Disbursements for the year is annexed to this Report.

4. Your Committee regret to observe that there is a decrease in the amount of Pew Rents, as appears in Appendix A, and they would again earnestly request greater attention on the part of Pew Holders to the duty of prompt payment. Attention to this matter would enable your Committee to meet current expenses and interest as they respectively become due.

5. Your Committee, however, are pleased to congratulate the Congregation on a slight increase in the "ordinary" Collections, arising from the plan adopted during the past year of taking up a Monthly Collection; these with some other Special Collections (which have been appropriated to the objects for which they were made), have increased the amount to the sum of \$164,75 in excess of those of last year.

6. Your Committee regret to report that part of the interest due in July last is still unpaid, and the whole of the interest due on 1st of October last is not paid, which appears in the statement of Liabilities and Assets annexed to this report.
