JAPAN WILL KEEP EYES ON SHANGHAI

TOKIO DENIES SENDING THREAT OF OCCUPATION

Policy of Watchful Waiting Only Will Be Followed

MARINES LAND

Government Optimistic That No Further Strike Riots Will Emerge

By J. FRANCIS MISSELWITZ United Press Staff Correspondent

TOKIO, June 6.—Japan will continue a policy of "watchful waiting" toward the Shanghai strike situation. This assurance emanated in positive form from the Foreign Office today, apropos of London reports yesterday that Tokio had sent a bribe, threatening landing forces at Shanghai and re-occupation of Tsing Tao.

Any such communication had been forwarded was strictly denied. Japan, it was explained, would act in the Chinese situation only in agreement with the other powers, and she desires only the fullest co-operation with them.

MARINES LAND. A handful of marines from the cruiser Tatsu has gone ashore at Shanghai but the government is optimistic that there will be no further Chinese riots there although it anticipates peaceful demonstrations at Canton and other cities.

The government deprecates that "responsible students" had been permitted to disturb the peace.

The London reports referred to above, claimed that Japan had sent a note virtually threatening China with a re-introduction of the famous twenty-one demands.

NEW HIGH MARKS

Two Fires Traced to Sun's Effect—Beaches Opened And Ice Distributed

CHICAGO, June 6.—From the Rocky Mountains to the Atlantic seaboard the country again sweltered last night in the grip of a record-breaking heat wave.

Tabulations revealed that the hot weather and violent storms which accompanied the heat have taken a toll of upwards of 175 lives.

Weather forecasts indicated that the sizzling temperatures would continue until Sunday at least.

NEW RECORDS.

In many cities the boiling mercury climbed to new altitude records, causing additional deaths and prostrations, causing the closing of some schools, and interfering with business.

Upwards of 80 deaths were reported in the "furnace belt" of Chicago, where fires were attributed to the sun's rays on combustible material, bathing beaches were opened and people were admitted to the parks to sleep.

Cities along the Atlantic seaboard sweltered in temperatures ranging from 95 to 100 degrees and complained that business was being interfered with seriously by the hot weather.

BUSINESS HURT.

New York City, gasping for breath in a temperature of 96 degrees, recorded 15 deaths due to heat yesterday.

Eighty cases of prostration required medical attention. More than 15,000 persons slept in parks last night.

EVERY MINE IN CAPE BRETON FIELD CLOSED

Springhill Pits Abandoned; Work in Pictou at Standstill

NO VIOLENCE

President of U. M. W. Local Amongst Seven Pickets Arrested

SYDNEY, N. S., June 6.—Following the arrest of seven members of the United Mine Workers of America, District 26, charged with "unlawfully assembling," at New Waterford and Dominion last night, a body of pickets, between 200 and 300 strong, invaded the power plant at No. 6 mine, the only remaining colliery where maintenance work had been carried on yesterday, and driving out the officials, shut down the pumps and the fans.

Thus the wage dispute between the British Empire Steel Corporation and its 12,000 employes today entered its fourth month with every mine in the Southern Cape Breton coal field closed down tight, the company's mines at Springhill abandoned and operations in the company's Pictou county areas at a standstill.

NO VIOLENCE. The raid at No. 6 was carried on without violence. The seven U. M. W. pickets arrested were lodged in the city jail here last night. Hugh Mackay, warden of the county jail, having refused, it is stated, to admit the men arrested by the company police.

Reports received up to a late hour this morning from various parts of the district, reported no unusual happenings.
