

## REPORT OF W. F. M. A. of St. Andrew's Church

---

The preceding year has been one of many privileges, and we trust profit.

We have had numerous opportunities of hearing personal accounts of the work carried on in the foreign field and other departments of missionary effort. Mrs. Wilson, of Neemuch, and Mrs. McDonald, of Bengal, gave encouraging reports of their work among the women of India, and others gave equally encouraging reports from their different fields.

The cry from all is, send us more missionaries.

The Presbyterial Society met in St. Andrew's Church, Feb. 9th and 10th. Miss McMillen, delegate, gave a report of the proceedings.

It was decided to invite the W. F. M. Annual Meeting for May, 1893, to London, and the invitation was accepted, when we may expect to entertain between three and four hundred delegates.

Mrs. Jas. Gordon was the delegate to Toronto at the last Annual Meeting of the W. F. M., and gave a full report of of all the meetings.

Our contribution to the North-West amounted to \$15 in money and \$47 in goods, making a total of \$62. Thank offering, \$30.
