expressed by one may attended any of the invited guest, who numbered over The bride of the states are an attended at the end of the states are and the brids at the end of the large hall under a handsome of immortelles, from which bung and extended at the end a large are arguing as recites, from which hung and extended the alcove, green garlands. With its e lanterns, pretty draperies of lace, ers, potted plants, cosey mooks and rats, and over all the electric light, e was transformed into an ideal re-tiption. the best

comfortable seats, and over all the electric light, this little alcover was transformed into an ideal re-ception room. After the reception, the bridal party and many of After the reception, the bridal party and many of the guests joined in the opener made ready for arge due. The bride, groom, bridesmaid, best man and ushers took the head and foot of the room and the guests the sides in double sets. The music was excellent, by the Sackville band. At twelve p. m. supper was served, and such a supper! Really it was a marvel that so much could be accomplished without a catterer. The rector proposed the health of the bride in a periment and happy speech, to which the groou re-sponded in well chosin terms. Socia and Prince Edward Island. On their return they will reside at Dorchester, N. B. In closing this very imperfect accound of one of the most em-isy a few words in parise of the Index/ille.
