REV. DENNISON REMAINED OVER

Preached Two Sermons in Tabernacle Church Yesterday—Gave Address to Ludlow Street Sunday School in the Afternoon.

Rev. F. P. Dennison, who expected to leave the city last week, at the invitation of his former congregation decided to remain over and preach for them yesterday. He also addressed the Sunday school of the Ludlow St. Baptist church in the afternoon.

In the morning at the Tabernacle his subject was "Whom the Peace Maker Will Be," and in the evening "Where they Saints or Heretics." Good congregations were present at both services. He made advantage of the last opportunity to remain over and preach for them. The subject of the address to the Ludlow St. Sunday school was "Things Revealed in the Bible that Science is Just Discovering," and was a masterly presentation of the truth that the hidden in the Book of Books that the modern civilization is just finding out.

OBITUARY.

Mrs. Isabelle Brine.
Great Shemogue, Mar. 9.—The death of Mrs. Isabelle Brine occurred at her home in Portage Village on Friday, Mar. 9, after a lingering illness, at the age of 92 years. She leaves to mourn two daughters and five sons. The daughters are Mrs. David Dobson of this place and Mrs. F. LeBlanc of Dorchester. The sons are George and William, Bedford, Hester and Norman, all residing at Portage Village, and one brother, Rufus Lowther residing at Port Elgin.

Edward Lawton.
Richibucto, Mar. 9.—The community was shocked on Thursday morning to learn of the death of Edward Lawton, a well known citizen of this town. Mr. Lawton, who was but 37 years old, had been sick about a week but after a hemorrhage on Wednesday evening he never rallied. Besides his widow he leaves to mourn his lost ten daughters and two sons, who have the sympathy of the community in their bereavement.

William Shortell.
Rexton, Mar. 9.—William Shortell, a well known and highly respected resident of South Branch, passed away at his home there Wednesday night after a long illness. Mr. Shortell was born at South Branch 81 years ago. He is survived by a widow, who was Miss Margaret Burns of South Branch; two sons, John and Daniel at home, and three daughters, Elizabeth at home, Sarah, professional nurse at Boston, and Agnes who is studying nursing in Boston.

The funeral of Martin and Michael Donaher was held at Chapel Point, Thursday morning and was largely attended.

Mrs. Dorcas Wandless.
Special to The Standard.
Fredericton, Mar. 10.—Mrs. Dorcas Wandless, wife of Mr. Thomas Wandless, the well known viceroy of Christ Church Cathedral, passed away at her home last night after two weeks illness of pneumonia. The deceased lady who was 63 years of age had been ill for about a year with heart disease and about two weeks ago contracted pneumonia. Besides her husband she is survived by five sons, three of whom are in the service of their country. Capt. John F. with the 5th Canadian Reserve in England, Lieut. Loring B., now in England after three years service in the trenches, and Gunner Hollis with the Canadian Artillery in France. Robert and George of this city and four daughters, Mrs. Arthur McClellan, Woodstock, Mrs. Hadley F. Jewett, Florenceville, Mrs. Charles Bull Woodstock, and Miss Helen Wandless at home.

Walter Woodley.
The death of Walter Woodley took place at his home 101 Main street yesterday after a lengthy illness. Mr. Woodley was a painter by trade but for a number of years was employed as clerk with Phillips and company in the cigar store on Charlotte street. He is survived by his wife, six brothers, John, of Denver, Col.; Arthur B., Frank C., William J., Roy S. and Douglas, of this city, and four daughters, Mrs. B. Lordy, Mrs. F. V. Ross and Miss Ida B., all of this city.

The funeral will be held Tuesday afternoon from his late residence at three o'clock.

TROUBLED FOR YEARS WITH BRONCHITIS

DR. WOOD'S NORWAY PINE SYRUP
GAVE INSTANT RELIEF.

Bronchitis is a disease which is very prevalent during the late winter and early spring, when there are sudden atmospheric changes. It is a condition of inflammation of the bronchial tubes which produces mucous or phlegm. This irritates the throat and causes you to cough in order to get rid of it. The cough may be tight or loose according as to whether this mucous is sticky and hard to remove, or soft and easily expelled.

Bronchitis is not really dangerous, but the complications which are liable to follow makes it necessary to get rid of it on the first sign. This you can do by using Dr. Wood's Norway Pine Syrup. A remedy that has been on the market for over twenty-five years.

EFFECTIVE APPEALS FOR KING'S COLLEGE ADVANCE MOVEMENT

Clergymen Made Appeal in Six Local Churches Yesterday—Canon Vernon at St. Paul's Church—Honor Roll of Students of King's College, Windsor—Congress Meets Today.

Yesterday earnest and effective appeals on behalf of the King's College advance movement were heard in six more of the St. John churches; Canon Vernon, organizing secretary of the advance movement, speaking at St. Paul's (Valley) and the Church of the Good Shepherd, Fairville; Rev. R. M. Fenton, rector of McAdam Junction, at St. George's and St. James, and Rev. J. H. Holmes, rector of Hammond River, at St. Luke's and St. Mary's. Today the advance movement workers will meet at one o'clock for a King's College luncheon at Bond's.

At the Valley Church, Canon Vernon in the course of his sermon earnestly emphasized the vital need to the Church of England in the Maritime Provinces of its own divinity school, King's College, Windsor, pointing out that it belonged jointly to the dioceses of Fredericton and Nova Scotia for its government, its successes and its failures, its debts and its endowments. He urged all to realize their obligation as churchmen and to give liberally according to their ability.

St. George's and St. James.
Rev. R. M. Fenton, in effective sermon at St. George's and St. James urged the duty of those who enjoy Christian privileges to recognize their Christian responsibilities, not merely to receive but also to give. He pointed out the great danger to the church of lack of men for the ministry, many parishes in the diocese being at present without clergy, and the number of men preparing for holy orders in Canada and in England being very small. In the future we should strive to produce enough men for the ministry to supply our own needs and some for the mission field. At the same time he showed the danger of our young men being sent for training to Ontario or the United States, where the inducements held out by the larger cities and towns would absorb our brightest and best. To avoid this our men should be trained at home in our own university of King's College so that we might have the services of the best while they were still fresh and full of the enthusiasm of youth. King's College if adequately supported by a united church would be able to provide a training equal to any in the land. For some years King's in order to maintain a high standard of education had been forced to spend more than her income. The present campaign aimed at wiping out the indebtedness and building up the endowment so that in future the income would be sufficient to meet the expenses.

St. Luke's and St. Mary's.
Rev. J. H. Holmes at St. Luke's and St. Mary's pointed out that after the war we should be faced on the one hand with a revival of religion, a development of spiritual thought, a striving after high ideals; on the other with infidelity, superstition, false religion, hypocrisy. To meet the needs of the coming times there would be a great demand for young men for the ministry, especially young men of our own province. There will be a splendid opportunity for redirecting into spheres of Christian activity the spirit of service and sacrifice evoked by the war. Why should there not be a great response to the call for ministers for the church? What is the reason for the failure to meet the call to the ministry? He thought we had tried to do without religion in the training of an all round development, mental, physical, social and religious.

King's College Honor Roll.

The following is the honor roll of students of King's College, Windsor. The following actual students of King's College have enlisted in the service of the Empire. The units designated are those the men joined, or to which they have since been transferred. Some changes may have taken place recently of which we have not yet been informed. The percentage is over eighty.

SOLDIERS HEAR CAPT. T. F. BEST

Gave an Informal Talk to Men at Red Triangle Club Saturday Evening—Events at Other Clubs Yesterday.

On Saturday evening at the Red Triangle Club, King Square, Capt. T. F. Best, who was present, was called upon by A. O. Skinner to give an informal talk to the men. In a few words Capt. Best said that he was glad the men were making such free use of the rooms of the Red Triangle Club and he wished them always to consider the club as entirely theirs. He spoke of the growth of the work and stated that he hoped that larger quarters would be provided here as the need for them arose.

HAD HEADACHE FOR TWO YEARS

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

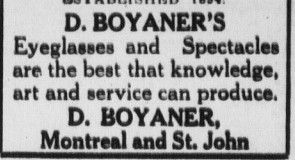

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this and now with scores of other Barrie people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 38 Penetang street, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches. I suffered from loss of appetite, and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-purifying influence. By creating an abundance of rich, red blood it strengthens the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and the new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. 50 cents a box, 6 boxes for \$2.75, all dealers or Edmanston, Bates & Co., Limited, Toronto.
