Quaint Saying.

It is interesting and instructive to read bright and well constructed ad vertisements. Messrs. C·I Hood & Co. of Sars. sparilla fame, must have been at a great feat tout taken everything home with them. They are using a bright selection of quaint old sayings and proverbs as the starters in a series of clever advertisements, wherein the proverbs are neatly turned and paraphrased to fit the subject matter. The jublic like this breezy advertising, as it reminds of other proverbs and opens up discussion.
