realized what poor miserable mortals from St. John and other places were preinkling of this truth comes to every man who is thrown on his own re-

inkling of this truth comes to every man who is thrown on his own resources by the closing of the shops on a holiday. When he has no desire to read, can think of no place to visit, and is not furnished with occupation or amusement by somebody else, he is too apt to resort to the alwaysopen bar-room for inspiration.

But those who love the country, or find pleasure in whipping brooks with flies for trout, have a never failing resource at hand when holidays and fine weather come together. The fierce joy of the hunter, whether he ride recklessly over western plains after buffalo, or wade through brooks after falo, or wade through brooks after port has been awarded the sum of fifteen Mr. D. McLellan, and McGill, of Prince
