Another Railway Accident Claims 53 Lives.

Another warning that we should be constantly on the lookout for protection.

How many carried an Accident Policy? Do you? "Oh, I may some day," you reply. How do you know but that you may be in a wreck any hour of the day? Better be protected. Every day we hear of people being killed or injured for life. Your turn may be to-morrow. Doubtless two-thirds of the people whose lives came to so untimely an end at Atlantic City the other week intended to have an Accident Policy "some day." But some day never came.

The Accident Policy that should commend itself to you is the Triple Indemnity, issued by the Ocean Accident and Guarantee Corporation, Limited. This policy, in addition to granting all the privileges of all other Accident Policies now on the market, provides for a triple, not double, indemnity in event of loss of life in railway accidents.

The man who denies this protection to his family fails to realize the seriousness of his responsibility. Any time may be a good time, now is the right time. Better get in touch with The Ocean Accident and Guarantee Corporation, Limited; Offices, Confederation Life Building, Toronto, and ask them to "show you" their Triple Indemnity Policy. The protection it affords is large—the premium is small.
