Mr. S. Kerr, principal of the St. John Business College, has published a work on Bookkeeping which is likely to become a standard text book. The definitions are clear, the examples are plain and the method is what would be expected from the principal of an institution such as the one over which Mr. Kerr presides. This book is not only useful for the student in book-keeping, but will be of great value to any business man as a book for ready reference on banking, negotiable paper and other commercial transactions.

Mr. Geo. E. Foster spoke in Toronto last Sunday on prohibition. Speaking of the recent decision he said that what politicians would do time would tell. That was the position which confronted the temperance people.

It was thought it had received its quietus at the last trial, but a further argument of a day and a half before the Court en banc may result in another trial or another appeal to the Supreme Court of Canada. In any event it furnishes work for lawyers. We notice Mr. Rose K. C. of this Town was arguing the appeal for the Respondent Miller.

A Winner

STUB PROOF Rubbers are worn by everyone for the same reason.

STUB PROOF Rubbers always win—that is why they are imitated.

STUB PROOF Rubbers are made of Specially Woven Rope

Canvass thoroughly impregnated with the best Para Gum before the finishing coat of rubber is applied and vulcanized. If one strand breaks all the others remain intact giving them a wear-resisting quality no other rubber contains.

All other Duck is woven so hard it is impervious to water, like your awnings. Our Canvass or Duck is woven loosely on machines which must be made on purpose for it, so that no other rubbers can be made from it. Avoid imitations. Watch for the words **STUB PROOF** on the stub of every rubber.

Made by the Gutta Percha and Rubber Mfg. Co of Toronto, Limited. Avoid Imitations. Don't Buy unless **STUB PROOF** is stamped on every Shoe.
