To the proud bobby sockers of 3T:

I was amused by your response! You proved one thing to me-not only do you not know how to behave in public but you even think people are jealous of your immaturity? I feel sorry for the guys who wasted their money by taking you their formal! I must admit - I love it when you talk dirty!!

This past weekend the USG's held a birthday party for Scot. Among his gifts were a cherished pair of sexy men's briefs with 2 little cupids and a heart on the front. They are the most original pair of briefs on Graham Avenue because they were signed by 5 girls on the bottom! We would like to let Pete and Mark know that their birthdays will hold some surprises too!

On Feb. 10, 1983, Jones House 3rd Floor mourned a death of a different kind. Saun, the quiet and timid little floor mascot (a catfish) went out with a truly royal "flush". A burial at toilet was performed by growing friends and admirers.

After the sad ceremony, Sam's owner stated that "Nobody really cared about Sam. . . as soon as he was gone, people started shitting on him."

It is requested that those who wish to pay respects not send flowers in lieu of sending contributions to the "Save the Whales Fund."

Happy Birthday Andy! Have a nice day!
Love, D.R.
